Today's card uses the Yuletide Village Stamp Set and the Peaceful Season Bundle for the sentiments. The Yuletide Village Stamp Set is another stand-alone stamp set that you can find in the September-December 2024 Mini Catalog. The Yuletide Village Stamp Set includes a collection of quaint village houses. The Peaceful Season Bundle is all about sentiments and includes some beautiful label dies to coordinate. I did a little ink blending on this card before stamping the village scene. Then the houses were colored in with Stampin' Blends. Let's take a look!

Paper to 6" x 2-1/4"

2. Start with one of the Basic White panels and use a Blending Brush to lightly blend Night of Navy ink across the top of the panel. You do not need to completely blend the ink across the top of the panel...just enough to indicate that there is a sky. Blend this ink onto the upper two thirds of the panel only.
3. Using the Yuletide Village Stamp Set, stamp the two houses across the lower third of the white panel that you just ink blended. Stamp the houses using Tuxedo Black Memento ink. Next, stamp the single pine tree in Shaded Spruce ink. Stamp a tree in between the two houses, then stamp a tree on the left and right of the panel next to the houses. Color the images using Stampin' Blends as follows:
  - Color the windows on both houses using a Lemon Lolly Stampin' Blend.
  - Color the chimneys of both houses using a Real Red Stampin' Blend.
  - Color the house on the left using an Ivory Stampin' Blend. Color the eaves using a Gray Granite Stampin' Blend. Color the bow on the door using a Real Red Stampin' Blend. Color the windowsills using a Bronze Stampin' Blend. Color the doors using an Ivory Stampin' Blend and shade using the Bronze Stampin' Blend.
  - Color the house on the right using the light shade of a Boho Blue Stampin' Blend. Color the shutters using the dark shade of a Stampin' Blend. Color the eaves using a Gray Granite Stampin' Blend. Color the door using the light and dark shades of a Boho Blue Stampin' Blend.
  - Color the pine trees using the light and dark shades of Shaded Spruce Stampin' Blends.

4. On the stamped and colored panel, lightly blend Night of Navy ink just under the stamped houses and trees. Keep the ink very light. Next, use the snow stamp from the Yuletide Village Stamp Set to stamp snow above the houses and trees using Balmy Blue ink. Adhere the panel to one of the Real Red mats, then adhere the panel to the card front using liquid

glue or Stampin' Seal.

5. Using the Peaceful Season Dies, die cut 1 Basic White ribbon sentiment label and 1 Real Red ribbon sentiment label. This label cuts notches around the right and left ribbon ends. On the white sentiment label, use a pair of paper snips to cut the ribbon sections away from the label on both sides. From the Peaceful Season Stamp Set, stamp the "Cheer All Year" sentiment in Real Red ink onto the white sentiment label that you just trimmed. Adhere the white stamped sentiment label to the Real Red sentiment label with the ribbon ends. Apply Stampin' Dimensionals to the center section of the sentiment label and apply a Mini Glue Dot to the two Real Red ribbon ends of the sentiment label. Adhere the sentiment label just above the stamped and colored scene and center from left to right. Using both Stampin' Dimensionals and Mini Glue Dots to adhere the sentiment label provides some nice dimension.
6. Use the Peaceful Season Stamp Set to stamp the "Thinking of you with warm feelings and a wish for all the merriest" sentiment in Real Red ink onto the inside panel. Using images from the Yuletide Village Stamp Set, stamp snow above and around the sentiment in Boho Blue ink. Stamp the small house in Tuxedo Black Memento ink onto the lower right corner of the inside panel. Stamp two pine trees to the left of the house. Color the house as you did for the card front using Stampin' Blends. Without reinking your Blending Brush, lightly blend Night of Navy ink just above the house and the trees and onto the snow sitting in front of the house. Adhere the panel to the remaining Real Red mat, then adhere this to the inside of the card.

7. Repeat stamping of the small house and pine trees onto the envelope front and color the house as you did before using Stampin' Blends. Use your Blending Brush to lightly blend Night of Navy ink above and below the house image.

8. Adhere a piece of the Take a Bow Designer Series paper to the envelope flap. I chose a Real Red polka dot print. Use a small pair of scissors or paper snips to trim away the excess paper from the flap.
9. Tie a small bow using the Silver & White Sheer Ribbon and adhere the bow to the card front just above the left corner of the sentiment label using a Mini Glue Dot.

This completes the card! I love the quaint images from the Yuletide Village Stamp Set and the sentiments and labels from the Peaceful Season Bundle complete the look!
