## 1. Card Cuts:

- Card Base - Cut 1 Sweet Sorbet cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Regency Park 6" x 6" DSP (Petal Pink basket weave print) to 5-3/8" x 4-1/8"
- Mat - Cut 1 Sweet Sorbet cardstock to 4-7/8" x 3-5/8"
- Panel - Cut 1 Basic White cardstock to 4-3/4" x 3-1/2"
- Sentiment Label - Cut 1 Basic White cardstock to 2-7/8" x 1-1/2"
- Sentiment Label Mat - Cut 1 Sweet Sorbet cardstock to 3-1/8" x 1-3/4"
- Scraps of Petal Pink cardstock and coordinating DSP for die cut flowers
- Inside Mat - Cut 1 Petal Pink to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

## 2. Adhere the DSP Panel to the card front.

3. Using the flower stamps from the Dainty Delight Stamp Set and Tuxedo Black Memento ink, stamp flowers along the bottom of the white panel measuring 4-3/4" x 3-1/2". I used the wild rose flower stamp and the Queen Anne's Lace flower stamp and only stamped a partial image of the flowers - you will need to leave some room at the top of the panel for the sentiment label. Use Stampin' Blends in Granny Apple Green (leaves), Petal Pink (Queen Anne's Lace), and Sweet Sorbet (wild roses) to color in the images.

4. Adhere the stamped white panel to the Sweet Sorbet mat, then adhere this unit to the card front. **Note: Center the panel left to right, but drop the panel down on the card front so that the bottom edge of the panel is approximately 1/4" from the bottom of the card front.**

5. Use the small and large sentiment label dies from the Something Fancy Dies set to die cut a small label from Basic White cardstock and a large sentiment label from Sweet Sorbet cardstock. Stamp the sentiment "Celebrate you" from the Dainty Delight Stamp Set onto the white sentiment label using Sweet Sorbet ink. Adhere the sentiment label to its Sweet Sorbet mat. Set aside for now.

6. Cut a length of burlap ribbon to approximately 4-1/2" long. Use Tear & Tape on the back of the ribbon, remove the tape cover, then adhere the ribbon on the stamped white panel. Position the ribbon horizontally approximately 3/8" from the top of the stamped panel. Use Stampin' Dimensionals to adhere the sentiment label over the ribbon. Center the sentiment label from left to right and center vertically over the ribbon.

7. Using the Dainty Delight Dies, die cut two Queen Anne's Lace flowers from scraps of Petal Pink cardstock. Adhere the flowers to the stamped panel. Trim the stems of the flowers so that they are flush with the bottom of the stamped panel.

8. Using the Dainty Delight Dies, cut out three small flowers from a scrap of Regency Park DSP (the Petal Pink basket weave print). Note that you will use a single die which cuts out a small, medium and large flower. Adhere the medium and large flower to the left side of the sentiment label and adhere the small flower to the right of the sentiment label. Refer to photo above for placement.
9. On the inside panel, stamp the Queen Anne's Lace flower image partially onto the lower right corner of the panel and use Stampin' Blends to color in the image. Adhere the panel to its Petal Pink mat, then adhere this unit to the inside of the card.

10. Stamp the same Queen Anne's Lace flower image onto the envelope front and color in.  
Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring to prevent marker bleed through.
11. Adhere the coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap to finish off the envelope.

12. Adhere Iridescent Pastel Gems to the centers of the three flowers on the sentiment label on the card front. Adhere several more of the gems around the stamped flowers.

This completes the card! The Sweet Sorbet and Petal Pink on this card blend so well together!
