I have had the **Snowflake Magic 12" x 12" Specialty Designer Series Paper** for a while and haven't made a card with it yet. This paper certainly adds a festive touch with all of its sparkle and shine! I also used the Christmas Classics Bundle and the Stylish Shapes Dies to create this card. Let's get started!

## Supplies:

- Snowflake Magic 12" x 12" Specialty Designer Series Paper
- Christmas Classics Bundle
- Stylish Shapes Dies
- Lost Lagoon Bordered Ribbon
- Adhesive-Backed Snowflake Assortment
- Iridescent Rhinestones Basic Jewels
- Wink of Stella
- Cardstock: Pretty Peacock, Thick Basic White, Basic White
- Ink: Pretty Peacock
- Stampin' Blends: Lost Lagoon

<https://www.inkybeestampers.com>

- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Stampin' Seal
- Paper Trimmer
- Stampin' Cut & Emboss Machine

## 1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/5", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Pretty Peacock cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Lost Lagoon large snowflake pattern to 5-1/4" x 4"
- Banner - Cut 1 Pretty Peacock cardstock to approximately 1-7/8" x 3/4" (use the smallest banner die from Stylish Shapes Dies)
- Sentiment Label - Cut 1 Basic White cardstock to approximately 3" x 7/8" (use the 2nd to largest banner die from Stylish Shapes Dies)
- Banner - Cut 1 white & silver print to approximately 3-3/4" x 1-1/4" (use the largest banner die from Stylish Shapes Dies)
- Scrap of Pretty Peacock cardstock for die cutting 2 holly leaves
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

## 2. Adhere the Lost Lagoon snowflake print designer series paper panel to one of the Pretty Peacock mats.

## 3. The left banner ends of the sentiment label and the two banners will be trimmed to specific lengths. From the sentiment label and die cut banners from Step #1 above, do the following:

- Line up the point from one end of the sentiment label to the 2-1/2" mark on your paper trimmer and cut.
- Line up the point from one end of the widest banner (white & silver designer series paper) to the 2" mark on your paper trimmer and cut.
- Line up the point from the Pretty Peacock banner to the 1-3/8" mark on your paper trimmer and cut.

4. Adhere the white & silver designer series paper banner and the Pretty Peacock banner to the designer series paper panel. Position the white & silver banner so that the straight edge of the banner is lined up to the left edge of the designer series paper panel and sits approximately 1" from the bottom of the panel. Then, adhere the Pretty Peacock banner above the white & silver banner so that the straight edge of the banner is flush with the left edge of the DSP panel.
5. Stamp the sentiment "To you and yours" onto the sentiment label in Pretty Peacock ink and stamp the sentiment to the right of the banner. Adhere the sentiment label to the left side of the panel using Stampin' Dimensionals and position the label between the two previously adhered banners so that the left edge of the sentiment label is flush with the DSP panel.
6. Wrap a length of Lost Lagoon Bordered Ribbon around the left side of large panel and secure the ends onto the back of the panel using Stampin' Seal. Use a short length of Lost Lagoon Bordered Ribbon and slip the ribbon under the piece of wrapped ribbon and tie a simple knot. This knot will sit over top of the left side of the sentiment label.
7. Die cut 2 holly leaves from Pretty Peacock cardstock using the Christmas Classics Dies. Brush Wink of Stella over the tops of the two die cut holly leaves. Use a small amount of liquid glue on the stems of the leaves and tuck the stems of the leaves just under the bottom

edge of the sentiment label. Refer to photos for placement.

8. On the inside panel, stamp the holly image from the Christmas Classics Stamp Set onto the upper right and left corners of the panel in Pretty Peacock ink. Use a Lost Lagoon Stampin' Blend to color in the leaves. Stamp the sentiment "Season 's Greetings" in Pretty Peacock ink onto the upper center of the panel. Adhere the panel to the remaining Pretty Peacock mat, then adhere the panel to the inside of the card.

9. Stamp the holly image onto the lower front of the envelope in Pretty Peacock ink. Use a Lost Lagoon Stampin' Blend to color in the leaves. **Caution: Place a scrap piece of paper or cardstock into the envelope before coloring to prevent bleed through of the marker.**
10. Adhere a coordinating piece of designer series paper to the envelope flap and use a pair of paper snips to trim the excess paper away from the flap.
11. Adhere 5 Adhesive-Backed Snowflakes to the card front. Place a small Iridescent Rhinestone in the center of each snowflake for some extra sparkle!

This completes the card! I love the foil accents on the Snowflake Magic Specialty Designer Series Paper...so pretty and festive! This was a very quick and easy card to put together and would be great to make multiples of!

Products used to create this card are included on the next page.
