- DSP Panel #1 - Cut 1 Pretty in Pink check pattern from the Lily Pond Lane DSP to 5-3/8" x 4-1/8"
  - Mat - Cut 1 Early Espresso cardstock to 3-1/8" x 3-1/8"
  - DSP Panel #2 - Cut 1 Peach Pie dotted print from the Lily Pond Lane DSP to 3" x 3"
  - Sentiment Label - Cut 1 Basic White cardstock to approximately 1-1/2" x 1-1/2"
  - Large Peony - Scrap piece of Basic White cardstock
  - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
  - Envelope Flap - Cut 1 coordinating piece of DSP to 6" x 2-1/4"
2. Adhere DSP Panel #1 to the card front.
  3. Adhere DSP Panel #2 to its Early Espresso mat, then adhere the square to the card front using Stampin' Dimensionals. Center the square panel.
  4. Stamp the large Peony image onto a scrap piece of Basic White cardstock using Early Espresso ink. Use Stampin' Blends to color in the image.
    - Color the flower petals with the light shade of a Pretty in Pink Stampin' Blend first. Use the light shade of a Peach Pie Stampin' Blend to shade the flower petals then blend with the light shade of the Pretty in Pink Blend.
    - Use the light and dark shades of a Shy Shamrock Stampin' Blend to color the leaves.
    - Use the light shade of a Peach Pie Stampin' Blend to color in the remaining white spaces. This helps the white space recede into the background of the DSP panel.

5. Fussy cut the large peony image that you just colored and adhere the flower to the square panel using Stampin' Dimensionals. Position the flower at an angle.
6. Stamp the "hello" sentiment in Early Espresso ink onto a scrap piece of Basic White cardstock. Use the second from smallest circle die from the Stylish Shapes Dies to cut out the sentiment. Apply a small amount of Stampin' Seal onto the back of the sentiment label and adhere a short length of Pretty in Pink Bordered Ribbon to the back of the label. Adhere the sentiment to the lower right of the square panel using Stampin' Dimensionals. Trim the ribbon ends as needed.
7. On the Inside Panel, stamp the medium sized peony image onto the lower left corner in Early Espresso ink. Use Pretty in Pink, Peach Pie and Shy Shamrock Stampin' Blends to color in the image. Adhere the panel to the inside of the card.

8. Stamp the same medium sized peony image onto the envelope front and color the flower as you did previously using Stampin' Blends.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere three pink Adhesive-Backed Shiny Sequins to the card front to finish up the project.

This completes the card! This was a very quick card to put together. I love the cheerful look of this card. You can easily make this a birthday card by stamping an additional sentiment onto the inside of the card.
