It's Friday Fun Day and that means another fun project that's a little out of the ordinary. With beach season quickly approaching, why not make a few quick and easy bookmarks for your friends. I love reading a good book on the beach and appreciate having a bookmark on hand. How about you? I used the new 2022-2024 In Color Designer Series Paper for today's project. The patterns are bright and cheerful!

1. Card and Ribbon Cuts:

- Bookmark Base - Cut your choice of cardstock to 2" x 6-1/2"
- Coordinating DSP - Cut 1 to 1-7/8" x 6"
- Scraps of coordinating cardstocks for die cutting to decorate bookmark
- Approximately 6" of coordinating ribbon

2. Adhere coordinating 2022-2024 6" x 6" Designer Series Paper to cardstock base. Adhere towards the bottom, leaving the top 1/4" of cardstock uncovered for hole punch.
3. With a standard, single hole punch, punch a hole in the center top of the bookmark. Fold ribbon in half and feed through hole. Feed ribbon ends through ribbon loop and pull gently to secure ribbon.
4. Die cut whatever decorations from available die sets to decorate the front of your bookmark.

Use colored cardstock, Stampin' Blends, Wink of Stella...use whatever supplies you have on hand to decorate and have FUN!

Super simple and quick! This would be a great project to get kids involved with, too!
