This pretty birthday card was created using products from the **Marbled Elegance Suite Collection**. This suite is primarily geared towards Valentine's Day but can certainly be used for other occasions...like a birthday card! I love stretching the usefulness of stamp and die bundles and designer series paper! This card came together quickly, too! The products in the **Marbled Elegance Suite Collection** will be available in the Online Exclusives section of the online store on November 5.

- Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"
 - DSP Panel - Cut 1 print with gold from the Marbled Elegance Specialty Designer Series Paper to 5" x 3-3/4"
 - Heart Sentiment Label - Cut 1 Basic White cardstock to approximately 2-3/4" x 2-3/4"
 - Decorative Hearts - Cut 1 each of Basic White and Real Red cardstocks to approximately 2-1/2" x 2-1/2"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to one of the Basic White panels measuring 5-1/4" x 4", then adhere this to the card front using liquid glue or Stampin' Seal.
 3. Use the Hearts of Elegance Dies to cut 3 hearts:
 - Cut 1 heart from Basic White cardstock. The die for this heart measures approximately 2-3/8" x 2-1/8"
 - Cut 1 decorative heart from Basic White cardstock. This smaller heart has an etched leaf pattern around the edges.
 - Cut 1 decorative heart from Real Red cardstock. This smaller heart has an etched leaf pattern around the edges.

4. Run an area of Stampin' Seal vertically down the center of the card front approximately 1-1/2". Loop Gold Twisted Thread two times diagonally across the card front. The thread

should stretch to the lower right and upper left of the card edges.

5. On the large white heart, stamp the rose image from the Hearts of Elegance Stamp Set three times onto the heart using Petal Pink ink, then stamp the "Sending lots of love" onto the heart using Poppy Parade ink.
6. Lay the three die cut hearts, including the sentiment heart vertically on your work surface. Use a small amount of Stampin' Seal or liquid glue to adhere the hearts together. The hearts should be equally spaced out. The sentiment heart should sit on top of the other two hearts. Then adhere the hearts unit to the center of the card front using Stampin' Dimensionals over top of the looped gold thread.
7. On the remaining white panel measuring 5-1/4" x 4" stamp the "happy birthday" sentiment from the Country Birdhouse Stamp Set in Poppy Parade ink. Then stamp the rose image from the Hearts of Elegance Stamp Set onto the lower left corner three times in Petal Pink ink. Adhere the panel to the inside of the card.

8. Repeat stamping of the rose image onto the envelope front in Petal Pink ink.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
10. Adhere three Adhesive-Backed Heart Sequins to the card front. I adhered one heart to each of the three die cut hearts.
