I'm calling this card an Off-set Gate Fold card and I created it using one of the awesome prints in the ***Delightfully Eclectic 12" x 12" Designer Series Paper*** pack! This fun fold shows off this pretty paper beautifully! I moved the "left" gate over a bit to accommodate a sketch challenge for this week's Happy Inkin' Thursday Blog Hop which includes a hexagon on the card front. The flowers and sentiments are from the ***Timeless Arrangements Bundle***...which is equally awesome! Detailed instructions are provided below. Let's get started!

Supplies:

- Delightfully Eclectic 12" x 12" Designer Series Paper
- Timeless Arrangements Bundle
- Vellum Basics 12" x 12" Specialty Designer Series Paper
- Classic Matte Dots
- Paper: Basic Black, Basic White, Fresh Freesia
- Ink: Tuxedo Black Memento Ink, Fresh Freesia
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals
- Paper Snips

- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Basic Black cardstock to 8-1/2" x 5-1/2". Score at 1-3/4" and 6"
- Hexagon - Cut 1 Basic Black cardstock to 5" x 2-1/2". Further cutting instructions are included below.
- DSP to cover Hexagon - Cut 1 black/white print of DSP to approximately 5-1/8" x 2-5/8"
- Vellum Panel - Cut 1 diagonal striped vellum to 5-3/8" x 2"
- DSP Panels - **Note: I cut the below panels so that the pattern would continue from right to left so you will need to keep track of the direction of the panels before adhering them to the card base.**

Cut 2 white/black/Fresh Freesia print to 5-3/8" x 1-5/8"

Cut 2 white/black/Fresh Freesia print to 5-3/8" x 2-3/8"

- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1"
- Scraps of Fresh Freesia cardstock and vellum for die cutting berries and flowers
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating piece of DSP to 6" x 2-1/2"

2. Start by adhering the DSP Panels to the right and left gates, both outside and inside the card. Note that these panels were cut so that the patterns would continue from right to left so you will need to keep track of the direction of the panels if you want the pattern to match up when the gates are closed.
3. Adhere the Vellum panel to the right gate so that the left edge of the vellum is flush with the left edge of the DSP panel on the right gate.
4. On the 5" x 2-1/2" Basic Black cardstock piece for the hexagon, start by measuring the centers of both short edges (the 2-1/2" sides). The center point of the short edges is 1-1/4". Then, measure down and up 1-1/2" on each long side of the cardstock. Next, cut off each corner of the cardstock panel between the 1-1/2" marks and the 1-1/4" mark to form the hexagon. Refer to diagram below.

5. Adhere the black and white DSP print to the right side of the Hexagon. Using a pair of paper snips, trim the DSP flush to the edges of the Hexagon. Adhere the hexagon (DSP side up) to the right gate of the card front using liquid glue and **be sure to apply glue only to the portion of the hexagon that will come in contact with the right gate**. Center the hexagon onto the card front from top to bottom and left to right.
6. Die cut the following using the Timeless Arrangements Dies:
 - Die cut 1 berry image with bar from Fresh Freesia cardstock
 - Die cut 1 small flower sprig from vellum
 - Die cut 1 small leaf sprig from vellum

7. Stamp the sentiment "thanks" in Fresh Freesia ink onto a scrap of Basic White cardstock. Use the medium sized sentiment label die from the Timeless Arrangements Dies to cut out the sentiment.
8. Before adhering the sentiment to the card front, adhere the die cut berries with bar to the back top of the sentiment label. Adhere the small vellum flowers and leaves to the back top of the sentiment label (in between the berries in Fresh Freesia). Next, adhere the sentiment label to the right side of the card front using Stampin' Dimensionals and position the right edge of the label approximately a 1/4" from the right edge of the card base and the top of the label approximately 2" from the top of the card base.
9. On the inside panel, stamp the long berry image in Fresh Freesia ink two times onto the lower right corner and upper left corner of the panel. Next, stamp the shorter berry image in Tuxedo Black Memento ink over top of the Fresh Freesia stamped images. Stamp the berries in black several times. Adhere the panel to the inside of the card.

10. On the envelope front, stamp the same berry images in both Fresh Freesia ink and Tuxedo Black Memento ink.
11. Adhere the coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap.
12. Adhere three black Classic Matte Dots onto the card front. Group the dots on the vellum at the top of the card front - just to the top right of the hexagon.
