This card uses the Heron Habitat Bundle (stamps and dies) along with a piece of paper (B side) from the Hues of Happiness 12" x 12" Designer Series Paper.

1. Card Cuts:

- Card Base - Cut 1 Basic White Thick cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel - Cut 1 Pool Party cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Hues of Happiness DSP to 5-1/4" x 4"
- Inside Panel - Cut 1 Pool Party cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Scraps of Night of Navy, Coastal Cabana, Pool Party, Pear Pizzazz, Mossy Meadow and Basic White for die cutting
- Sentiment Label - Cut 1 Pool Party cardstock to 1-1/2" x 1-1/2"

2. Stamp the standing Blue Heron in Gray Granite ink onto a scrap of white cardstock.

3. Stamp the cattails in Pear Pizzazz ink onto a piece of scrap white cardstock.

4. Die Cut the following from coordinating Heron Dies:

- Die cut the standing Blue Heron and cattails that you just stamped
- Die cut three small grasses in Pear Pizzazz cardstock

Heron Habitat

<https://www.inkybeestampers.com>

- Die cut one large grass in Mossy Meadow cardstock
 - Die cut one wave in Night of Navy cardstock and one wave in Coastal Cabana cardstock
5. Using Gray Granite ink, stamp the sentiment onto the sentiment label
 6. Using the two waves that you just die cut, slightly offset the wave tops. The height of each wave to the highest wave point should be approximately 3/4". Using a small amount of glue, adhere the waves together. Using Stampin' Dimensionals, place dimensionals along the bottom edge of the waves only. You will need to allow space to tuck other die cuts behind the waves. Adhere the waves flush to the bottom edge of the DSP panel. Using a pair of snips or small scissors, trim any excess "wave" from the right and left, flush with the DSP panel.
 7. Use a Blender Pen dipped into Early Espresso ink to darken the Cattails and their stems. Keep the leaves of the cattail plant green.
 8. On the East Coast of the US, we have Great Blue Herons. Their feathers have a bluish-gray cast to them. Use Stampin' Blends in Light Balmy Blue, Gray Granite and Smokey Slate to color the Heron. Color the back of the Heron's head and neck in Light Balmy Blue, then come back with the light shade of Gray Granite and blend with the Balmy Blue. Use the Light Gray Granite Stampin' Blend to color in the areas where feathers are indicated on the Heron's body. Use the darker shades of Smokey Slate and Gray Granite Stampin' Blends to darken the top of the Heron's head and underneath his body. I used small upward strokes using both shades to give the look of layered feathers. Use a black Stampin' Write marker to define the Heron's eye, keeping a small highlight in the center of the eye.
 9. Using glue, adhere the cattails on the left and the large Mossy Meadow large grass on the right, tucking the ends under the waves. Glue one small grass over top of the cattails, and one over top of the large grass, tucking the bases under the waves. Using Stampin' Dimensionals, adhere the Heron on the left, tucking his feet under the waves. Do the same with the remaining small grass, placing it in front of the Heron.
 10. Using Stampin' Dimensionals, adhere the sentiment label to the front of the DSP panel, placing in the upper right corner.
 11. Using Tuxedo Black Memento ink, stamp the bird image twice to the left of the sentiment label.
 12. Adhere the completed DSP panel to the Pool Party panel, then adhere this unit to the card front.
 13. Stamp the standing Heron in Gray Granite ink in the lower left corner of the inside white panel. Stamp this same image on the lower left front of the envelope.
 14. Adhere the inside white panel to it's Pool Party panel, then adhere this unit inside of the card.
 15. For the envelope flap, stamp the flying Heron in Gray Granite ink.
 16. Adhere several Glossy Dots to the card front.

The card is complete!
