The images in the **Decorative Borders Stamp Set** are stunning using embossing powder! It can be difficult to capture metallic embossing when photographing, so I had to lay my card down on my work surface in order to capture the gold shine of the embossing. How beautiful! Even the inside of the card and the envelope are embossed! Some light ink blending was added over the embossed areas to add a little something extra! I used the **Layering Circles Dies** to die cut my sentiment label and the sentiment came from the **Sentimental Park Stamp Set**. Let's get started!

## 1. Card Cuts:

- Card Base - Cut 1 Basic White Thick cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Rich Razzleberry cardstock to 5-3/8" x 4-1/8"
- Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/4" x 2-1/4"
- Inside Mat - Cut 1 Rich Razzleberry cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. Start by working with the white front panel. Use an embossing buddy to brush over the entire panel. This will keep the embossing powder from sticking to any unwanted areas of the cardstock. Using the floral corner stamp from the Decorative Borders Stamp Set, stamp

this image in the lower right and upper left corners of the panel using VersaMark ink.

Sprinkle gold embossing powder over the stamped areas. Coat a second time if needed and lightly tap the cardstock to remove excess powder. Use a Heat Tool to set the embossed areas. **Note: Allow your heat tool to warm up completely before heat setting the embossed areas. Apply heat to the areas only until the embossing turns shiny, then move to the next area. Overheating embossing powder can burn the powder and it will lose its shine.**

3. Using a blending brush, lightly tap the brush in Rich Razzleberry ink, then swirl the blending brush onto a piece of scrap paper. Very lightly blend Rich Razzleberry ink over the embossed areas. The result should be a light pink color.
4. Adhere the embossed panel to a mat in Rich Razzleberry then adhere this unit to the card front.
5. Using the Layering Circles Dies, die cut a circle from Basic White cardstock. Stamp the sentiment "dear friend" from the Sentimental Park Stamp Set in Rich Razzleberry ink. Use a blending brush to lightly blend Rich Razzleberry ink around the edges of the circle. Adhere the sentiment label to the card front using Stampin' Dimensionals. I adhered the sentiment label slightly above center and slightly to the left of the panel on the card front.
6. Use a length of gold Simply Elegant Trim and tie a bow. Adhere the bow to the top of the sentiment label using a Mini Glue Dot.
7. From the Sentimental Park Stamp Set, stamp the sentiment "You are amazing" onto the Inside Panel in Rich Razzleberry ink. At the bottom of this panel, use VersaMark ink to stamp the coordinating, smaller flower stamp from the Decorative Borders Stamp Set and stamp the image. Sprinkle with gold embossing powder and use a Heat Tool to set the embossing powder. Use a blending brush to lightly brush Rich Razzleberry ink over the embossed area. Adhere the Inside Panel to a mat in Rich Razzleberry, then adhere this unit to the inside of the card.

8. On the envelope flap, stamp the same smaller flower image from the Decorative Borders Stamp Set using VersaMark ink and emboss using gold embossing powder as in Step #7 above. Lightly blend Rich Razzleberry ink over the embossed area of the envelope flap.
9. Use multiple gold Festive Pearls to decorate the card front.

This completes the card! I think the stamps from the Decorative Borders Stamp Set are perfect for embossing! These embossed images would be equally beautiful on black cardstock. What are your thoughts?
