## 1. Card Cuts:

- Card Base - Cut 1 Soft Succulent cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Vellum Panel - Cut 1 Basics Vellum Specialty DSP (dotted print) to 5" x 3-3/4"
- Scraps of Evening Evergreen cardstock for die cutting 3 sets of leaves
- Scrap of Basic White cardstock for stamping and die cutting marigolds
- Sentiment Label - Cut 1 Soft Succulent cardstock to 2-7/8" x 7/8"
- Sentiment Label Mat - Cut 1 Evening Evergreen card stock to 3" x 1"
- Inside Mat - Cut 1 Evening Evergreen cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. On a scrap piece of Basic White cardstock, first stamp the large "fill" image of the Marigolds in Pale Papaya ink. Next, stamp the "detailed" image of the marigolds using Mango Melody ink. Use the coordinating die to cut out the flower cluster.
3. From a scrap of Evening Evergreen cardstock, use the 3-leaf die to cut out 3 sets of leaves.
4. Arrange the die cut marigold cluster and the die cut leaves onto the piece of Vellum Panel. First, glue down the marigold cluster of flowers onto the upper two-thirds of the vellum panel. Note: Keep the glue to the center of the flower cluster so that you can tuck the leaves under the flowers. Next, glue the leaf sets to the vellum panel, applying glue to the lower stems and tucking the leaves under the marigold flowers. Refer to photo for placement of flowers and leaves.
5. Stamp the sentiment "Happy Mother's Day" onto the Soft Succulent sentiment label using Evening Evergreen ink. Adhere the sentiment label to its Evening Evergreen mat. Adhere the sentiment label to the bottom third of the vellum panel using Stampin' Dimensionals and center the sentiment label from left to right.
6. On the back side of the assembled vellum panel, apply glue to only the areas that will be hidden by the already adhered flowers, leaves and sentiment label. Adhere the vellum panel to the card front centering the panel top to bottom and left to right.
7. On the Inside Panel, Stamp the stem/leaves in Evening Evergreen in the bottom left corner of the panel. Stamp the solid, single Marigold image using Pale Papaya ink. Be sure to line up the image with the previously stamped leaves and stem. Stamp the detailed image of the Marigold in Mango Melody ink, making sure to line up the image.
8. Adhere the Inside Panel to its Evening Evergreen mat then adhere this unit to the inside of the card.

9. Using two lengths of Evening Evergreen Open Weave Ribbon, tie a double bow and adhere the bow to the card front using a Mini Glue Dot. I adhered the bow on the lower left of the Marigold cluster.
10. Adhere multiple white Opaque Adhesive-Backed Gems to the card front.
11. On the lower left of the envelope front, stamp the stem and leaves and the single Marigold, using the same colors as in Step #7 above.
