- Embossed Panel - Cut 1 Basic White cardstock to 5-1/2" x 4-1/4"
 - Square for Stamping - Cut 1 Basic White cardstock to 3-1/2" x 3-1/2"
 - Square Mat - Cut 1 Soft Sea Foam cardstock to 3-5/8" x 3-5/8"

 - Sentiment Label Mat - Cut 1 Soft Sea Foam cardstock to approximately 3-3/8" x 2"
 - Die Cut Leaves - Scraps of Soft Sea Foam cardstock
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
2. Use the Distressed Tile 3D Embossing Folder to emboss the Basic White cardstock panel measuring 5-1/2" x 4-1/4". Adhere the panel to the front of the card base using liquid glue.
 3. On the white cardstock square measuring 3-1/2" x 3-1/2", stamp the large magnolia image from the Magnolia Mood Stamp Set in Soft Sea Foam ink. Use the light and dark shades of Soft Sea Foam Stampin' Blends to shade the stamped image. Adhere the square to the 3-5/8" x 3-5/8" Soft Sea Foam cardstock square. Adhere the square unit to the card front using Stampin' Dimensionals and position the square so that there is approximately 1/4" between the edges of the card front and the square on the left, top and right sides.

4. On a scrap piece of Basic White cardstock, stamp the sentiment "Thank you for being you"

in Soft Sea Foam ink. Use the second from smallest Deckled Rectangle Die to cut out the sentiment. Cut a second rectangle from Soft Sea Foam cardstock using the third from smallest Deckled Rectangle Die. Adhere the sentiment label to the Soft Sea Foam mat using liquid glue or Stampin' Seal. Adhere the sentiment label to the card front using a combination of liquid glue and Stampin' Dimensionals. The sentiment label is centered from left to right and the top of the sentiment label overlaps the bottom of the magnolia square image.

5. Use the Magnolia Mood Dies to cut out two of the 3-leaf images from Soft Sea Foam cardstock. Use the dark shade of a Soft Sea Foam Stampin' Blend to color the die cut leaves to make them slightly darker. Use a small amount of liquid glue to adhere one leaf unit to the upper left and one leaf unit to the lower right of the sentiment label as shown in the photos.
6. On the inside panel, partially stamp the smaller single leaf image from the Magnolia Mood Stamp Set multiple times in the upper left corner and lower right corner in Soft Sea Foam ink. Adhere the panel to the inside of the card using liquid glue or Stampin' Seal.

7. Partially stamp the large magnolia image onto the envelope front in the lower left corner in

Soft Sea Foam ink.

8. Stamp the single leaf image onto the center of the envelope flap in Soft Sea Foam ink.
9. Use the dark shade of a Soft Sea Foam Stampin' Blend to color three small Rhinestone Basic Jewels. Adhere the Rhinestones to the center of the magnolia flower on the card front. Refer to photos for placement.

This completes the card! I love a soft look to a card and the Magnolia Mood Bundle and Soft Sea Foam fill the bill with the Distressed Tile 3D Embossing Folder providing some texture!
