Series Paper to 5-1/2" x 4-1/4"

- Reindeer - Cut 3 leaping reindeer from the Reindeer Days Designer Series Paper using the Reindeer Fun Dies
 - Holly & Berries - Cut 1 of each from Granny Apple Green and Real Red cardstocks using the Reindeer Fun Dies
 - Sentiment Label - Cut 1 Basic White cardstock to 3" x 1/2"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to the card front using liquid glue.
 3. Adhere two of the leaping reindeer that you die cut to the top of the card front using Stampin' Seal or liquid glue. Position the reindeer on the left so that he is leaping upwards and the reindeer on the right so that he is leaping downwards. Adhere the center reindeer to the card front using Stampin' Dimensionals.

4. Stamp the "Merry Christmas" sentiment from the Reindeer Fun Stamp Set in Real Red ink onto the right side of the sentiment label.
5. Adhere the die cut Real Red berries to the Granny Apple Green holly leaves. Then adhere just the left edge of the sentiment label to the back of the holly unit. Adhere the holly and sentiment unit to the card front using Stampin' Dimensionals. Position this unit to the bottom

right of the card front. The right edge of the sentiment label should be flush with the right edge of the card front.

6. Stamp the "May all your days be full of cheer" sentiment from the Reindeer Stamp Set in Real Red ink onto the Inside Panel. Stamp the leaping reindeer in Early Espresso ink onto the lower left of the panel. Stamp the reindeer harness in Early Espresso ink, lining up the image to the reindeer body. Use Stampin' Blends in Crumb Cake (inside of ear, tail and feet of reindeer), Pecan Pie (reindeer body), Real Red (harness straps) and Daffodil Delight (bells on harness) to color in the reindeer. Adhere the panel to the inside of the card base.

7. Partially stamp the leaping reindeer image onto the envelope front in Early Espresso ink and color the image as you did in Step #6 above.
8. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Tie a loopy bow from the Real Red & White Baker's Twine and adhere the bow just above the holly on the card front using a Mini Glue Dot.
10. Apply small drops of liquid glue above the reindeer on the card front and adhere six White Loose Snowflakes.
