Today's card uses the Spruced Up Stamp Set and Spruced Up Outlines Dies along with the pretty Silver & Gold 6" x 6" Specialty Paper (Sale-A-Bration item!). This card comes together very quickly and uses only two cardstock colors and two ink colors! Imagine how pretty these ornaments would be cut out from Christmas DSP!

### 1. Card Cuts:

- Card Base - Cut 1 Parakeet Party cardstock to 8-1/2" x 5-1/2", score at 1-1/4"
- Mat - Cut 1 Garden Green cardstock to 5-1/8" x 3-7/8"
- Specialty Paper (Silver & Gold 6" x 6" SP) - Cut 1 to 5" x 3-3/4"
- Scraps of Parakeet Party and Garden Green cardstock for die cutting
- Sentiment Label - Cut 1 Parakeet Party cardstock to 2" x 1-1/4"
- Sentiment Label Mat - Cut 1 Basic White cardstock to 2-1/8" x 1-3/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope - Cut 1 coordinating specialty paper to 6" x 2-3/4"

2. Die cut each of the following. First cut in Parakeet Party cardstock, then cut again in Garden Green cardstock:

- Long Ornament
- Circle Ornament
- Gift

Note: You will be using the Garden Green outline cuts and the Parakeet Party inside cuts for this card. Set aside the other pieces to make a second card!

3. Using the snowflake stamp from the Spruced Up Stamp Set
  - stamp the snowflake on all of the insert pieces (two ornaments and two pieces making up the insert for the gift) in Parakeet Party ink. This gives a soft tone-on-tone look.
  - Repeatedly stamp the snowflake image in Parakeet Party ink onto the Parakeet Party sentiment label
4. Adhere the 5" x 3-3/4" piece of specialty paper to its Garden Green mat.
5. Position the long ornament to the top left of the SP (specialty paper) panel and the circle ornament in the top center of the panel. You will adhere these ornaments directly to the specialty paper panel. I found it helpful to glue down the insert pieces first, then adhere the outlines second.
6. Using the two stamps "Merry" and "Christmas", line the stamps onto a single stamping block and test stamp on a scrap piece of paper first to make sure the words are lined up. Then, stamp onto the sentiment label in Garden Green ink. Adhere the sentiment label to its white mat.
7. Cut a small piece of scrap cardstock and glue the gift pieces (outline and insert) onto the scrap piece of cardstock. Trim any of the scrap cardstock so that it does not show to the front of the gift. Apply a small drop of glue on the lower left corner of the sentiment label and adhere the gift, at an angle, to the sentiment label. Using Stampin' Dimensionals adhere the sentiment label/gift unit to the panel front placing it to the right.
8. Using the Garden Green ribbon from the Real Red & Garden Green Ribbon Combo Pack, tie a small bow and adhere to the top of the circle ornament using a Mini Glue Dot.
9. Adhere multiple silver Festive Pearls to the card front.
10. Apply Stampin' Dimensionals to the decorated panel then adhere to the card base front.
11. On the inside panel, stamp the snowflake several times in Parakeet Party ink and adhere the panel to the inside of the card.
12. Stamp the snowflake several times on the envelope front in Parakeet Party ink.
13. Adhere the piece of coordinating specialty paper to the envelope flap and fussy cut around the flap to finish off the envelope.

The card is complete! This simple but elegant card is beautiful with the silver accents. And, you have another set of die cuts ready to go to make a second card!

Products used to make this card are included on the next page along with links for each item that will take you to my online store.
