I used the beautiful **Detailed Dogwood Stamp Set** to create today's card along with sentiments from the Around the Bend Stamp Set for the sentiment. 1. Card Cuts:

- Card Base - Cut 1 Basic Black cardstock to 11" x 4-1/4", score at 5-1/2"
- Outside & Inside Panels - Cut 2 Crumb Cake cardstock to 5-1/4" x 4"

2. Begin by stamping one of the Crumb Cake panels:

- Stamp the large dogwood image from the Detailed Dogwood Stamp Set onto one of the Crumb Cake panels using Tuxedo Black Memento ink. Stamp the image centered left to right and slightly lower on the panel to leave room for the dragonfly and sentiment.
- Stamp the dragonfly onto the panel using Tuxedo Black Memento Ink and stamp in the upper left corner of the panel.
- Stamp the sentiment "hello there" from the Around the Bend Stamp Set in the upper right corner using Pecan Pie ink.

3. Color the stamped images:

- Color the dogwood blossoms using Flirty Flamingo Stampin' Blends
- Color the leaves using Parakeet Party Stampin' Blends
- Color the flower centers using Wild Wheat Stampin' Blends
- Color the flower stems using Pecan Pie Stampin' Blends
- Color the dragonfly wings using Fresh Freesia Stampin' Blends.

4. Adhere the stamped panel to the card front. Dust the dragonfly's wings in Wink of Stella to give them a little shimmer.
5. Use the bullet end of a Pecan Pie Stampin' Blend to create dots around the flower image. Add as many or as few as you'd like. The dots help to provide a little more interest.
6. Create the Linen Thread bow by wrapping the thread around three finger widths several times, then wrap the thread around just two finger widths several times. Gather the wrapped linen thread together at the center, then use a separate piece of Linen Thread to tie and knot the loops together. Adhere the bow to the bottom of the flower stem using a Mini Glue Dot.
7. On the inside panel, stamp the smaller dogwood bloom image in Tuxedo Black Memento Ink. Color the image with Stampin' Blends as you did for the card front. Use a Pecan Pie Stampin' Blend to add dots around the stamped image. Adhere the panel to the inside of the card base.

10. Add several black Classic Matte Dots to the card front to finish up the card.
