I created this pretty card using the Inspiring Snapdragons Bundle. The sentiment was cut out using one of the label dies from the Unbounded Love Dies and I added a little of the Brights 6" x 6" Designer Series Paper in Granny Apple Green on the envelope flap. I used a variety of different colored cardstocks but use whatever scraps you have in your stash to create some brightly colored snapdragons!

Supplies:

- Inspiring Snapdragons Bundle
- Unbounded Love Dies
- Brights 6" x 6" Designer Series Paper
- Linen Thread
- Wink of Stella
- Watercolor Pencils
- Cardstock: Basic White, Granny Apple Green, Fresh Freesia, Highland Heather, Flirty Flamingo, Calypso Coral, Pretty in Pink, Petunia Pop
- Ink: Granny Apple Green, Azure Afternoon

1. Card Cuts:

- Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Highland Heather cardstock to 5-3/8" x 4-1/8"
- Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"
- Stems, snapdragons, dragonflies - Scraps of Basic White, Granny Apple Green, Fresh Freesia, Highland Heather, Flirty Flamingo, Calypso Coral, Pretty in Pink, Petunia Pop
- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-7/8" x 1-1/4"
- Envelope Flap - Cut 1 coordinating Brights Designer Series Paper in Granny Apple Green to 6" x 2-1/4"

2. On one of the white panels measuring 5-1/4" x 4", use the medium sized snapdragon stamp to second-generation stamp snapdragons across the panel in Granny Apple Green ink. The base of the flowers should be approximately 1" from the bottom of the panel. Then second-generation the dotted image across the entire panel in Granny Apple Green ink. Adhere this panel to one of the Highland Heather mats, then adhere this unit to the card front.

3. Die cut the following then follow any additional instructions.

- Die cut 1 medium sized solid outline snapdragon from Highland Heather cardstock
- Die cut 1 medium sized detailed snapdragon from Fresh Freesia cardstock. Adhere the detailed snapdragon in Fresh Freesia on top of the Highland Heather outline.
- Die cut 1 large sized outline snapdragon from Calypso Coral cardstock
- Die cut 1 large sized detailed snapdragon from Flirty Flamingo cardstock. Adhere the detailed snapdragon in Flirty Flamingo on top of the Calypso Coral outline.
- Die cut 1 small sized solid outline snapdragon from Petunia Pop cardstock
- Die cut 1 small sized detailed snapdragon from Pretty in Pink cardstock. Adhere the detailed snapdragon in Pretty in Pink on top of the Petunia Pop outline.
- Die cut the three stem dies three times each from Granny Apple Green cardstock for a total of nine stems.

4. Stamp the two dragonflies onto a piece of white cardstock in Azure afternoon ink. Use a Coastal Cabana watercolor pencil to color in the lighter areas on the wings. Use a Night of Navy watercolor pencil to trace around the wings, then use a Basic Black watercolor pencil to color in the dragonfly bodies. Use the coordinating Inspiring Snapdragon Dies to cut out the images. Dust the dragonfly wings with Wink of Stella.
5. Stamp the "So Sorry" sentiment onto a piece of white cardstock in Granny Apple Green ink. Use the rectangular die with the rounded corners from the Unbounded Love Dies to cut out the sentiment.
6. Arrange then adhere the three die cut snapdragons onto the card front. The bottoms of the snapdragons should be approximately 1" from the bottom of the white panel. Adhere the snapdragons using Stampin' Dimensionals. The snapdragons will slightly overlap each other.
7. Adhere the stem pieces in around the snapdragons using liquid glue. The ends should be tucked under the flowers.
8. Adhere the two dragonflies above the flowers using liquid glue.
9. Adhere the sentiment label to the card front using a double stack of Stampin' Dimensionals.

- Position the label so that the top half of the label is overlapping the bottoms of the flowers.
10. Tie a small Linen Bow then adhere the bow towards the upper left of the sentiment label using a Mini Glue Dot.
 11. On the inside panel, stamp the sentiment "Wishing you Strength" in Granny Apple Green ink. Stamp the small snapdragon image in Granny Apple Green ink, then stamp again as a second-generation stamping. Stamp the same image one more time for a total of three snapdragons in Granny Apple Green ink. Be sure to vary the height of each snapdragon. Stamp the dragonfly above the snapdragons and color in the dragonfly using watercolor pencils as you did for the card front. Dust the dragonfly wings with Wink of Stella. Adhere the panel to the remaining Highland Heather mat, then adhere the panel to the inside of the card.

12. First and second-generation stamp the small snapdragon image onto the envelope front using Granny Apple Green ink. Stamp the dragonfly just above the stamped flowers in Azure Afternoon ink. Use watercolor pencils to color the dragonfly as you did before and dust the wings with Wink of Stella.
