- Ink: Flirty Flamingo, Tuxedo Black Memento Ink

### 1. Paper Cuts:

- Cut 1 piece of designer series paper for punching a 2" circle. It is helpful to cut the paper slightly wider than the punch.
- Cut 1 Real Red cardstock for punching a 2-3/8" circle. It is helpful to cut the cardstock slightly wider than the punch.
- Scraps of Basic White for stamping and punching bee components
- Sentiment Label - Cut 1 piece of Basic White cardstock to 2" x 1/2"

2. On a protected work surface, use a blending brush to blend Flirty Flamingo ink over the entire surface of a Square Pillow Box. The right side of the box, or the outside of the box, is the side that contains the adhesive strips. Allow the ink to fully dry then start gently bending along the score lines on the Pillow Box. Assemble the box by removing the protective adhesive tape covers and adhere the sides together. The opening flaps will sit on the box top.

3. Adhere the designer series paper 2" circle to the Real Red 2-3/8" cardstock circle using liquid glue. I chose the Flirty Flamingo and Real Red plaid paper from the Most Adored Specialty Designer Series Paper pack for the 2" circle.
4. Use a length of Sheer Ribbon and wrap the ribbon around the pillow box horizontally and tie a bow. Position the bow to the side of the box.
5. Adhere the circle unit to the front of the Square Pillow Box, and over top of the wrapped

ribbon.

6. From the Bee My Valentine Stamp Set, stamp the solid image of the bee in Flirty Flamingo ink onto a scrap piece of white cardstock, then stamp the stripes of the bee's body using Tuxedo Black Memento ink. Use the Bee Builder Punch to punch out the bee's body. Next, stamp the solid image of the bee's wings in Flirty Flamingo ink, then stamp the outline of the wings in Tuxedo Black Memento ink onto a scrap piece of white cardstock. Use the Bee Builder Punch to punch out the wings. Stamp the bee's antennae in Tuxedo Black Memento ink and use the Bee Builder Punch to punch out the antennae. Use the same Bee Builder Punch to punch out three small white hearts. Use liquid glue to adhere the antennae and wings to the bee's body.

7. From the Bee My Valentine Stamp Set, stamp the sentiment "bee mine" onto the sentiment label and stamp towards the left. Cut a banner end on the right side of the label using a pair of paper snips.
8. Use Stampin' Dimensionals to adhere the bee to the box front.
9. Tuck the sentiment label under the lower right of the bee's body and adhere the label to the box using liquid glue.
10. Adhere the white paper hearts and several flowers from the Adhesive-Backed Hearts & Flowers embellishments pack to the front of the box to complete the project.
