When creating today's card using the **Magnolia Mood Bundle**, I was struck by how absolutely beautiful the stamped images from the stamp set and die cuts are! I had trouble deciding on coloring a stamped image or coloring the intricate die cut image of the magnolia blooms. The die cut image won! The Magnolia Mood Bundle will be available on March 5 as an Online Exclusive in the online store! Here are the details on how to create this card!

Supplies:

- Magnolia Mood Bundle (available March 5 as an Online Exclusive)

- Blender Pen
- Cardstock: Soft Sea Foam, Old Olive, Basic White
- Ink: Soft Sea Foam, Old Olive
- Stampin' Blends: Bubble Bath, Berry Burst, Old Olive, Color Lifter

- Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 5/8"
 - Sentiment Label Mat - Cut 1 Old Olive cardstock to 2-7/8" x 3/4"
 - Die Cut Magnolia Blooms - Scrap of Basic White cardstock measuring approximately 4-1/4" x 3-1/2"
2. Use the Magnolia Mood Dies and die cut the largest bloom image from Basic White cardstock. Note that depending on how your Stampin' Cut & Emboss Machine performs, you may need to run this die through two or three times in order to get all of the delicate die cut pieces to release. Use Bubble Bath and Berry Burst Stampin' Blends to color in the petals. Use Old Olive Stampin' Blends to color in all of the leaves on the die cut.
- For the large magnolia bloom, use the light shade of a Bubble Bath Stampin' Blend and color from the centers of the petals upwards about 2/3" of the way. Shade just the outside edges of each petal with the light shade of a Bubble Bath Stampin' Blend also. Then use the light shade of a Berry Burst Stampin' Blend and color over the light pink from the centers of the petals about half way up (do not color up as far with the Berry Burst as you did with the Bubble Bath Stampin' Blends). Use a Color Lifter Stampin' Blend to blend the Bubble Bath and Berry Burst inks together on each petal. Note that you want to leave white space on the outside of each petal (uncolored).
 - Color the two small Magnolia buds using mostly the light shade of a Berry Burst Stampin' Blend. The buds will naturally be darker until the blooms open.
 - Color the center of the large magnolia flower using the light and dark shades of Old Olive Stampin' Blends. The center will be darker towards the bottom.
 - Carefully color the leaves using Old Olive Stampin' Blends. I first colored all the leaves in the light shade of Old Olive, then came back and used the dark shade of Old Olive to shade the leaves where they were sitting under a petal.

3. On one of the white panels, stamp the magnolia seed pod image with leaves two times using Soft Sea Foam ink. I first positioned the die cut and colored image onto the panel to get an idea of placement before I stamped the seed pod image. Stamp the seed pod image once angled to the right and once angled to the left. Use a Blender Pen and Soft Sea Foam ink to darken the shaded areas of the seed pods and leaves.
4. Adhere the stamped panel to one of the Old Olive Mats. Wrap Linen Thread around the matted panel three times and secure the ends of the thread to the back of the panel. Position the thread approximately 1-1/2" from the bottom of the panel. Adhere the panel to the front of the card base and center from top to bottom and left to right.

5. Adhere the die cut and colored image of the magnolia blooms to the card front using Stampin' Dimensionals. Be sure to position this die cut image so that the stamped images of the seed pods in the background are partially showing. Note that you will need to cut down Stampin' Dimensionals in order to support some of the more narrow areas of the die cut.
6. Stamp the sentiment onto the sentiment label using Old Olive ink. Adhere the sentiment to its Old Olive mat, then adhere the sentiment label to the lower right of the card front using Stampin' Dimensionals.
7. On the inside panel, partially stamp the seed pod image onto the lower corner of the panel using Soft Sea Foam ink. Stamp the additional sentiment in Old Olive ink towards the top of the panel. Adhere the panel to the remaining Old Olive mat, then adhere this unit to the inside of the card.

8. Partially stamp the seed pod image onto the envelope front using Soft Sea Foam ink.
9. Tie a double bow from Linen Thread and adhere the bow to the card front using a Mini Glue Dot. Position the bow to the left of the large magnolia bloom and in line with the wrapped thread.
10. Adhere three Bubble Bath Pastel Adhesive-Backed Sequins to the card front.
