<https://www.inkybeestampers.com>

I created this box fold card to showcase products from the **O Holy Night Suite Collection** which will be available on September 6 from the new Sept-Dec Mini Catalog. Everything in this suite is absolutely gorgeous and I couldn't wait to share this card with you! I did my best to write concise instructions, but if you are more of a "visual" person like me, you can check out my video tutorial for this card on my Facebook page by clicking [here](#). Let's get started!

Supplies:

- Night Divine Bundle (Item #161997)
- Stars at Night Bundle (Item #162007)
- O Holy Night 12" x 12" Designer Series Paper (Item #161986)
- Night of Navy & Gold Glittered Ribbon (Item #162011)
- Adhesive-Backed Star Trinkets (Item #162010)
- Gold Foil Sheets
- Cardstock: Misty Moonlight, Copper Clay, Basic Black, Very Vanilla
- Ink: Misty Moonlight
- Adhesives: Multipurpose Liquid Glue, Tear & Tape, Stampin' Dimensionals, Mini Glue Dots

O Holy Night Box Fold Christmas Card

- Paper Trimmer
- Simply Scored Scoring Tool
- Paper Snips
- Stampin' Cut & Emboss Machine

1. Card Cuts:

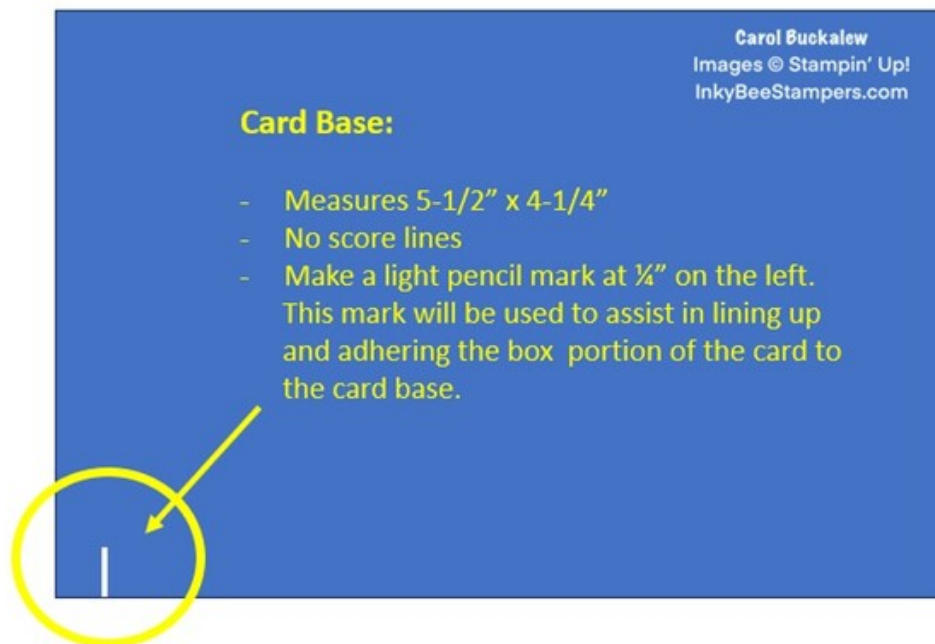

- Card Base - Cut 1 Misty Moonlight cardstock to 5-1/2" x 4-1/4". There are no score lines on this card base.
- Box Base - Cut 1 Misty Moonlight cardstock to 5-3/4" x 4-1/4". On the long edge (horizontally), use the Scoring Tool and score at 3/8", 1-1/8", 4-5/8" and 5-3/8"
- DSP Panels - **Important Note: When cutting the two side DSP panels and the center DSP panels, the pattern should be continuous, so cut all three panels at one time.**

Cut 2 of the star print paper from the O Holy Night DSP to 4-1/8" x 7/8"

Cut 1 of the star print paper from the O Holy Night DSP to 4-1/8" x 3-3/8"

- Inside Panel (this is actually placed on the back of the card base) - Cut 1 Very Vanilla cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/4"

2. On the Card Base measuring 5-1/2" x 4-1/4" make a light pencil mark on the lower left corner at 1/4". This mark will be used to line up and adhere the left side of the Box Base to the Card Base.

3. Adhering the Box Base to the Card Base:

- Use a Scoring Tool to score the long edge of the Box Base at 3/8", 1-1/8", 4-5/8", and

Carol Buckalew

inkybeestampers@gmail.com

<https://www.inkybeestampers.com>

5-3/8". All score lines are mountain folds.

- With the Box Base open and face up, apply Tear & Tape to the right and left outer sections of the Box Base then remove the Tear & Tape covers.
- Fold the Box Base under at the 1-1/8" scoreline, then line up this folded edge with the 1/4" mark on the Card Base and adhere the left folded edge of the Box Base to the left side of the Card Base.

4. With the left side of the Box Base attached to the Card Base, now attach the right side of the Box Base to the Card Base. Fold the Box Base under at the 4-5/8" score line (on the right) and lay the Box Base flat and to the right and adhere to the Card Base. You now have a box fold card!

5. Adhere the DSP panels to the card front.

6. Die cut the following from the Night Divine Dies and the Stars at Night Dies:

- Cut 1 Manger from Copper Clay cardstock
- Cut 1 manger scene (Baby Jesus, Joseph, Mary, Wise Man and Sheppard) from Basic Black cardstock
- Cut 1 manger scene from Gold Foil. **Note that you really only need the cradle in this scene in gold so if you would like to conserve gold foil, just lay the cradle over the gold foil when cutting, instead of cutting the whole die image.**
- Cut 1 each of the cow, donkey, and lamb from Basic Black cardstock
- Cut 1 sentiment label from Very Vanilla cardstock
- Use the 3-star die to die cut from Gold Foil - these are very small stars!
- Cut 1 star which is approximately 1-1/8" in height from Gold Foil

7. Adhere the manger to the center panel on your box card using liquid glue. Note that the manger piece is longer than the center panel, but the width of the manger is exactly the width of the center panel. When adhering, line up the top of the manger to the top center of the center panel, then adhere the left post to the left edge of the center panel, then adhere the right post to the right edge of the center panel. Use paper snips to carefully trim off the excess length of the posts flush with the bottom edge of the center panel. **Important Note: Keep the pieces you trimmed off! On these pieces, trim the post portions away from the wider bottoms of the manger. Glue these wider bottoms to the posts on the left and right and flush to the bottom of the center panel.**
8. Use paper snips to trim the cradle cut from Gold Foil away from the other pieces of this die cut. Use a small amount of glue to adhere the gold cradle over the black cradle. Adhere the black die cut of Baby Jesus, Mary, Joseph, Wise Man and Sheppard to the center panel using glue. The bottom of this die cut should be flush with the bottom of the DSP on the center panel and will fit exactly between the posts of the manger.
9. Adhere the cow to the left side of the card base (narrow panel) using liquid glue. Adhere the lamb to the right side using glue. Adhere the donkey to the left side of the center panel using

Stampin' Dimensionals and position over the left post of the manger towards the bottom.

10. Stamp the sentiment "Joy & Peace" in Misty Moonlight ink onto the sentiment label. Adhere the sentiment label towards the top of the manger using Stampin' Dimensionals. Refer to photos for placement.
11. From the three-star gold foil die cut, adhere the largest of these three stars to the larger star you die cut which measures approximately 1-1/8" high using a small drop of glue. Adhere this star unit at the top center of the manger using a cut down Stampin' Dimensional. The top point of the star will be at the top point of the manger and the bottom point of the star will fall partially onto the sentiment label.
12. Adhere the two remaining small gold foil stars to the side panels - one on each side and towards the tops of the panels.
13. On the inside panel (or the panel that will get placed on the back side of the card), stamp the sentiment "Glory to God in the Highest" in Misty Moonlight ink. Use the multi-star stamp to stamp stars across the top of the panel in Misty Moonlight ink. Adhere the panel to the back of the card.

14. Tie a bow using the Night of Navy & Gold Glittered Ribbon and adhere to the upper left side of the sentiment label using a Mini Glue Dot. Angle the bow. Adhere several of the Star Trinkets to the card front.
15. Use the multi-star stamp and stamp stars on the lower left and right corners of the envelope front in Misty Moonlight ink.
16. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap.

This completes the card! I hope you will give this card a try!

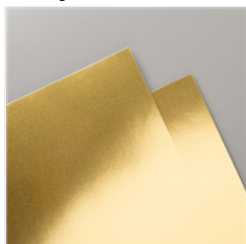

Products used to create this card are included on the next page. Item numbers for products that will be available on September 6 are included under the supply list above.
