Stamp Set to stamp the "Season's Greetings" sentiment onto the lower right corner of the panel in Garden Green ink.

3. Adhere the ink blended and stamped panel to the piece of pine and ornament print designer series paper measuring 5-1/2" x 4-1/4" and center from top to bottom. Then adhere the panel unit to the card front using liquid glue or Stampin' Seal.

4. From the A Little Bit Festive 12" x 12" Specialty Designer Series Paper pack, punch out the image of the four stockings hanging from a pine bough. Adhere this image to the card front using Stampin' Dimensionals towards the top of the white ink blended panel. Then punch out three (3) 8-pointed gold stars from the Specialty Designer Series Paper and adhere these to the card front. Refer to photos for placement.
5. Using the Greetings of the Season Stamp set, stamp the sentiment "To you & yours" in Garden Green ink. Without reinking your Blending Brush, lightly blend Granny Apple Green ink over the stamped sentiment. Adhere the panel to the top of the inside of the card, then adhere the 5-1/2" x 5/8" strip of designer series paper just below the panel. I left a 1/16" gap between the panel and the DSP strip so that some of the Garden Green shows through.

This completes the card! Easy and oh so pretty! You can certainly dress this card up more by adding embellishments and ribbon but I thought it was perfect just the way it is. Products used to create this card are included on the next page. Item numbers for new products are listed under the supply list above and will be available tomorrow...September 4!
