1. Card Cuts:

- Card Base - Cut 1 Misty Moonlight cardstock to 11" x 4-1/4", score at 5-1/2"
- Mat - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Misty Moonlight pine tree print from the Winter Meadow Designer Series Paper to 5-1/4" x 4"
- Scraps of reverse side of the pine tree print to die cut mountains
- Scraps of Basic White cardstock for die cutting pine trees
- Sentiment Label - Cut 1 Misty Moonlight cardstock to approximately 2-1/4" x 2-1/4"
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. From scraps of Basic White cardstock, die cut 3 trees of varying heights using the Forever Forest Dies. Use a Blending Brush to blend Misty Moonlight ink over the trees, varying the saturation of color on the trees.
3. From the mostly gray solid print (the reverse of the pine tree print), die cut two mountains. Adhere the mountains to each other, staggering the mountain tops. Then, adhere the mountains to the bottom of the DSP panel measuring 5-1/4" x 4" using Stampin' Dimensionals. Place the Stampin' Dimensionals along the bottom of the mountains to leave room for tucking in the trees. Trim the right and left edges of the mountain die cuts so they are flush with the right and left edges of the DSP panel. Adhere the pine trees to this panel and tuck the bottoms of the trees behind the mountains. I arranged the trees from tallest to shortest.

4. Die cut the sentiment label from Misty Moonlight cardstock using the Stylish Shapes Dies. Use Whisper White Craft Ink to stamp the "Winter Wishes" sentiment from the Magical Meadow Stamp Set. Allow the ink to completely dry. Use a small amount of Stampin' Seal towards the upper right of the DSP panel and adhere a folded length of Bordered Ribbon to the Stampin' Seal. Adhere the sentiment label over top of the ribbon using Stampin' Dimensionals.
5. Adhere the DSP panel to the white mat, then adhere this unit to the card front.
6. On the inside panel, second-generation stamp the pine tree image several times and be sure to vary the height of the trees. Then, stamp the tree image over top of the first stamped trees several times without stamping off first. Without reinking your Blending Brush, blend Misty Moonlight ink over the inside panel. Stamp the sentiment "The colder weather brings us together" in Misty Moonlight ink. Second Generation stamp snow across the entire panel. Adhere the panel to the inside of the card.

7. Second-generation stamp the pine tree image in Misty Moonlight ink onto the envelope front several times, then stamp the tree image over top of these trees again without stamping off first. Second-generation stamp snowflakes around the trees.
8. Adhere the coordinating piece of designer series paper to the envelope flap and trim the excess paper away from the flap using paper snips.
9. Adhere several snowflakes to the card front.
