## 1. Card Cuts:

- Card Base #1 - Cut 1 Misty Moonlight cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Boho Blue and floral print to 5-3/8" x 4-1/8"
- DSP Strip - Cut 1 blue print to 4-1/2" x 1-3/4"
- Card Base #2 - Cut 1 Basic White Thick cardstock to 6-1/2" x 3-1/4", score at 3-1/4"
- Mat for Card Base #2 - Cut 1 Misty Moonlight cardstock to 3-3/8" x 3-3/8"
- Small scraps of Misty Moonlight and Garden Green for die cutting flowers and leaves
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panel measuring 5-3/8" x 4-1/8" to the front of Card Base #1. Then, adhere the DSP Strip to the front of the card base. Center the strip from top to bottom and the left edge of the strip approximately 1/4" away from the larger DSP panel.
3. Cut and score Card Base #2. I do not have a corner punch, so I improvised. I measured a 1/4" on each side of each corner and with the card base closed, I used my 2" Circle Punch to punch out the decorative corners on this small card base. Do this by partially inserting the corner into the punch, line up the pencil marks, and punch.
4. On the front of Card Base #2, stamp the sentiment "You're in my thoughts today" in Misty Moonlight ink towards the top right of the card base front. Third generation stamp the large floral image onto the lower left of the card base front. Use Watercolor Pencils in Daffodil Delight, Garden Green and Blue to color in the stamped floral image. I used a slightly damp #2 watercolor brush to activate the color and blend it out.

5. On the inside of Card Base #2, stamp the sentiment "Where in the world would I be without you?" in Misty Moonlight ink. Third generation stamp the small flower and greenery image over the sentiment in Misty Moonlight ink.
6. Adhere Card Base #2 to its Misty Moonlight card base, then adhere this small card base to the card front. Center the card base over the blue DSP strip and center from top to bottom.
7. Die cut three small flowers using Misty Moonlight cardstock, and die cut two leaf units from Garden Green cardstock. Adhere the leaves to the front of Card Base #2, then adhere the three small flowers. Refer to photos for placement.
8. On the 5-3/8" x 4-1/8" inside panel, stamp the sentiment "enjoy your day" in Misty Moonlight ink. Third generation stamp the large floral image onto the lower left corner of the panel. Adhere the panel to the inside of the card.

9. Third generation stamp the large floral image onto the lower left corner of the envelope front.
10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
11. Use a Daffodil Delight Stampin' Blend to color three small Rhinestones. Adhere one Rhinestone to the centers of each of the small blue flowers on the card front.
