This card was created using the **Magical Meadow Bundle** and the gorgeous **Winter Meadow 12" x 12" Designer Series Paper**. I also pulled in a couple of other sets for a sentiment and some greenery. The Magical Meadows images and the beautiful coordinating paper make for a card suitable for any season...not just winter or Christmas. Let's get started!

## Project Sheet - Sep 13 2023

- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Paper Trimmer
- Stampin' Cut & Emboss Machine

### 1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 11" x 4-1/4", score at 5-1/2"
- Outside & Inside Mats - Cut 2 Shaded Spruce cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 floral print from the Winter Meadow Designer Series Paper to 5" x 3-3/4"
- Vellum Panel - Cut 1 to approximately 3-5/8" x 2-3/8"
- Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-1/8"
- Scraps of Basic White and Pebbled Path for stamping and/or die cutting greenery
- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
- Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/4"

2. Adhere the DSP Panel to one of the Shaded Spruce mats, then adhere this to the card front.

3. Using the Magical Meadow Dies, die cut the following then follow any additional instructions.

- Die cut 1 of the greenery sprig with berries from Basic White cardstock
  - Use a Pebbled Path Stampin' Blend to color the stems
  - Use a Shaded Spruce Stampin' Blend to color the leaves
  - Use a Blueberry Bushel Stampin' Blend to color the berries

4. Using the Deckled Rectangles Dies, die cut 1 piece of vellum using the 4th to smallest rectangle.
  - Using the Christmas Classics Stamp Set, third-generation stamp the pine bough several times onto the vellum panel in Pretty Peacock ink. **Note: Third-generation stamping means that you will ink up the stamp, then stamp off two times onto a scrap piece of paper and stamp onto your project the third time without reinking your stamp.** Stamp the stem of the pine bough towards the lower left each time and angle the top of the pine bough towards the upper right of the panel. This creates a subtle shadow on the vellum panel.
  - Arrange the die cut greenery pieces onto the vellum panel with the stems on the lower left and angling the tops of the greenery pieces towards the upper right. Adhere with small drops of liquid glue.
  - Turn the vellum panel over to the back side and apply small drops of glue where the die cuts are covering the panel - this way the glue won't show through the vellum.
  - Adhere the vellum panel to the card front on the left and center from top to bottom.
5. Use the smallest rectangle from the Deckled Rectangles Dies and cut 1 sentiment label from

Basic White cardstock. Use the Botanical Layers Stamp Set to stamp the "thinking of you" sentiment in Shaded Spruce ink onto the label. Note: You can use any sentiment from any stamp set onto the label. Adhere the sentiment label to the card front using Stampin' Dimensionals and position the label on the right - just slightly below center.

6. On the inside panel, third-generation stamp the pine bough image from the Christmas Classics Stamp Set several times on the upper right and lower left corners using Pretty Peacock ink. Stamp the greenery image from the Magical Meadow Stamp Set two times in each corner in Shaded Spruce ink and stamp over top of the previously stamped pine boughs. Adhere the panel to the remaining Shaded Spruce mat, then adhere this to the inside of the card.

7. Third generation stamp the pine bough image several times in Pretty Peacock ink onto the lower left corner of the envelope front. Stamp the greenery image in Shaded Spruce ink twice over top of the previously stamped pine boughs.
8. Adhere the coordinating piece of designer series paper to the envelope flap and use paper snips to trim the excess paper away from the flap.

9. Use a short length of Iridescent Ribbon to tie a knot bow. Adhere the bow to the stems of the greenery on the card front using a Mini Glue Dot.
10. Adhere several Iridescent Rhinestones Basic Jewels to the card front.

This completes the card! If I had to describe the Magical Meadow Bundle I would say it is very romantic...such soft, lovely colors and images.
