2. Start by adhering the 5-3/8" x 4-1/8" DSP panel to the card front. Adhere the woodgrain print DSP strip to the Pecan Pie strip. Adhere the 1/2" Pretty Peacock DSP strip to the right side of the matted woodgrain print strip. Adhere this unit to the left side of the card front, lining up the left edge of the strip unit to the left edge of the larger DSP panel.
3. Stamp and/or die cut the following using the Earthen Textures Stamp Set and Dies:

4. Stamp the sentiment "Thank you" onto the sentiment label in the Gray Granite speckled print DSP. Stamp the sentiment in Pretty Peacock ink and stamp the sentiment to the left of the label. Adhere the sentiment label to its Pretty Peacock mat.
5. Adhere the sentiment label to the card front and center from left to right and top to bottom.
6. Adhere the Copper Clay urn to the Pretty Peacock urn. Position the Copper Clay urn to the right and slightly above the Pretty Peacock urn. Refer to photos for placement. Use Stampin' Dimensionals to adhere the urns to the card front. Position the urns just under and to the right of the sentiment label. The Copper Clay urn will slightly overlap the right side of the sentiment label.
7. Trim the stems of the twig die cuts if necessary and tuck the stems into the Copper Clay urn. The twigs and stems will sit over top of the right side of the sentiment label. Tuck a Stampin' Dimensional under the twigs where they fall above the sentiment label.
8. On the inside panel (which is in the Gray Granite speckled DSP print), stamp the sentiment "With gratitude" in Pretty Peacock ink. Stamp the twig image two times onto the lower left corner of the panel. Adhere the panel to the inside of the card.
