I used the **Merry & Bright Bundle** and the **Merry Bold & Bright 12" x 12" Designer Series Paper** to create today's card. This fun set creates cheerful cards and the paper is as the name implies - bold and bright. The reverse sides of the paper can be used for more than Christmas cards, too. The B sides of some of the papers would be great for children's cards and birthday cards! Let's get started!

## Supplies:

- Merry & Bright Bundle
- Merry Bold & Bright 12" x 12" Designer Series Paper
- Ribbon Duo Combo Pack
- Adhesive-Backed Sparkle Gems
- Wink of Stella
- Cardstock: Poppy Parade, Basic White, Shaded Spruce
- Ink: Poppy Parade, Blueberry Bushel, Shaded Spruce, Granny Apple Green, Daffodil Delight, Tuxedo Black Memento Ink
- Adhesives: Multipurpose Liquid Glue, Stampin' Seal, Stampin' Dimensionals

- Paper Trimmer
- Stampin' Cut & Emboss Machine

## 1. Card Cuts:

- Card Base - Cut 1 Poppy Parade cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Mat - Cut 1 Basic White cardstock to 5-1/4" x 4"
- DSP Panel - Cut 1 green and red tree print to 5" x 3-3/4"
- Sentiment Label - Cut 1 Basic White cardstock to 2-3/4" x 3/4"
- Sentiment Label Mat - Cut 1 Poppy Parade cardstock to 2-7/8" x 7/8"
- Scraps of Basic White cardstock for stamping and die cutting light bulbs and additional two sentiments
- Scraps of Shaded Spruce for die cutting electric cord and light bulb bases
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/4"

2. Start by adhering the DSP Panel to the white mat. Use a length of green ribbon from the Ribbon Duo Combo Pack and wrap the ribbon around the lower two thirds of the panels. Secure the ends on the back using a small amount of Stampin' Seal. Use a short length of the same ribbon and slip under the wrapped ribbon on the right and tie a small bow. Adhere this unit to the card front using liquid glue.

3. On scraps of white cardstock, stamp the following:

- Stamp three of the rounded light bulbs. Stamp one in Blueberry Bushel, one in Granny Apple Green and one in Poppy Parade. Stamp the filaments onto the base of each bulb using Tuxedo Black Memento ink. Use the coordinating dies to cut out the bulbs.
- Stamp the sentiment "Have a" and "Christmas" in Poppy Parade ink then fussy cut around the sentiments.

4. Die cut 1 of the electric cords and 3 light bulb bases from Shaded Spruce cardstock. Adhere a light bulb base to each of the light bulbs.
5. On the white sentiment label, stamp the sentiment "Holly Jolly" in Poppy Parade ink. Adhere the label to its Poppy Parade mat.
6. Arrange the three sentiments onto the upper right of the card front using Stampin' Dimensionals.
7. Adhere the electric cord to the left side of the card front, then adhere the three light bulbs to the cord. You may want to dry fit all of the card front components before adhering anything down permanently.
8. Use Wink of Stella to trace around the outsides of the three light bulbs to give them a little sparkle.
9. On the inside panel, stamp the sentiment "To You & Yours" in Poppy Parade ink. Stamp a partial electric cord and light bulb base in Shaded Spruce, then stamp a light bulb in Blueberry Bushel ink. Stamp the "glow" for the light bulb in Daffodil Delight ink. Adhere the panel to the inside of the card.

10. Partially stamp the electrical cord and bulb base in Shaded Spruce onto the envelope front. Stamp the bulb in Poppy Parade. Stamp the "glow" in Daffodil Delight.
11. Adhere the piece of coordinating designer series paper to the envelope flap and use a pair of paper snips to trim the excess paper away from the flap.
12. Adhere a single silver Adhesive-Backed Sparkle Gem to the large sentiment label on the card front.

This completes the card! This card is definitely Merry & Bright and would be a great card to give to friends, teachers, neighbors, etc.!

Products used to create this card are included on the next page.
