It is never too early to start thinking about getting a head start on your Christmas Cards! This beautiful Interlocking Fancy Fold Christmas Card was created using the **Golden Greenery Bundle**, **Greetings of the Season Stamp Set**, and the **Season of Green & Gold 12" x 12" Specialty Designer Series Paper** and the **Gold Mercury Vellum 12" x 12" Specialty Designer Series Paper**. The card base measurements and score lines are from a card recently shared on YouTube from Gina K. Designs. I came up with the design of the panels, sentiment and inside of the card. Let's take a look!

## Supplies:

- Golden Greenery Bundle
- Greetings of the Season Stamp Set
- Spotlight on Nature Dies
- Very Vanilla Satin Ribbon
- Season of Green & Gold 12" x 12" Specialty Designer Series Paper

## 1. Card Cuts:

- Card Base - Cut 1 standard Very Vanilla cardstock to 10-3/4" x 5-1/2". See specific scoring instructions below.
- DSP Panels - Cut 4 green and gold floral print from the Season of Green & Gold Specialty Designer Series Paper to 5-3/8" x 1-1/2"
- Rectangle #1
  - Cut 1 Gold and Very Vanilla print from the Season of Green & Gold Specialty Designer Series Paper to 3-3/4" x 2-3/4"
  - Cut 1 Mat from Mossy Meadow cardstock to 3-7/8" x 2-7/8"
- Rectangle #2
  - Cut 1 Gold Mercury Vellum Specialty Designer Series Paper to 3-1/4" x 2-1/4"
  - Cut 1 Mat from Mossy Meadow cardstock to 3-3/8" x 2-3/8"
- Sentiment Label - cut 1 Very Vanilla cardstock to approximately 1-3/4" x 1-3/4"
- Sentiment Label Mat - cut 1 Mossy Meadow cardstock to approximately 2-3/8" x 2-3/8"

3. Adhere the 4 DSP Panels of the Green & Gold floral print to each of the four 1-5/8" wide panels on the card base.
4. Using the Golden Greenery Stamp Set, stamp the large greenery sprig onto the center of the Very Vanilla Inside Panel. This image uses a two-step stamping process (two different stamps to create one image). Second Generation stamp the stem portion of the image in Mossy Meadow ink, then second generation stamp the "bloom" image in Old Olive ink. From the Greetings of the Season Stamp Set, stamp the words "Merry" and "Christmas" over the stamped greenery image in Mossy Meadow ink. Adhere the Inside Panel to its Mossy Meadow mat then adhere this panel to the center panel of the card base and center from top to bottom and left to right.

5. Using the Greetings of the Season Stamp Set, stamp the "Love & Joy" sentiment in Mossy Meadow ink onto a scrap piece of Very Vanilla cardstock. Use the Spotlight on Nature Dies to cut out the sentiment. I used the smallest circle die with the three-leaf cut outs. Use the same dies to cut out the mat from Mossy Meadow cardstock. I used the smallest round die that etches the lines all around the outside of the die cut. Adhere the sentiment label to its Mossy Meadow mat. Set aside for now.
6. Use the Golden Greenery Dies to cut out 2 smaller pine boughs from Old Olive cardstock. Set aside for now.

7. For Rectangle #1, adhere the Very Vanilla and Gold designer series paper panel to its Mossy Meadow mat.
8. For Rectangle #2, adhere the Gold Mercury Vellum panel to its Mossy Meadow mat. Note: Apply very small drops of glue on the reverse of the vellum where the glue will be hidden by the gold.
9. Adhere Rectangle #1 and Rectangle #2 to the card base. When both panels are adhered to the card base, Rectangle #1 will slide between the card base panel and under Rectangle #2 and will lock into place.
  - Adhere Rectangle #1 to the far-left panel of the card base using liquid glue. Position the rectangle towards the upper left of the left card base panel. **Important Note: Only apply adhesive to the back portion of where the rectangle will make contact with the panel on the card base.**
  - Adhere Rectangle #2 to the far-right panel of the card base using Stampin' Dimensionals. Position the rectangle towards the bottom right of the right card base panel. **Important Note: Adhere Stampin' Dimensionals along the left edge of the card base panel and only where the rectangle will come into contact with the**

card base panel. The Stampin' Dimensionals will act as the "lock" when the card base is fully closed.

10. Adhere the sentiment label to the card front using Stampin' Dimensionals. The sentiment label is adhered to Rectangle #2 and is adhered with Dimensionals only on the upper left corner of the rectangle.
11. Adhere the two die cut pine boughs to the card front. The stems of the pine boughs will tuck under the sentiment label and will fall across the Gold Mercury Vellum Rectangle #2.
12. Tie bow from the Very Vanilla Satin Ribbon and adhere the bow just under the sentiment label (and onto Rectangle #2) using two Mini Glue Dots.
13. Using the Golden Greenery Stamp Set, stamp the same greenery image that you stamped onto the inside panel onto the front of the envelope flap in Mossy Meadow and Old Olive inks.
14. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
