- DSP Panel - Cut 1 Boho Blue designer series paper print to 3-1/2" x 1-1/2"
 - Cardstock Panel - Cut 1 Lemon Lolly cardstock to 3-1/2" x 1-1/2"
 - Sentiment Label - Cut 1 Basic White cardstock to 2-3/8" x 1-3/4"
 - Sentiment Label Mat - Cut 1 Boho Blue designer series paper print to 2-1/2" x 1-7/8"
 - Scraps of Garden Green and Basic White to die cut leaves and lily pieces
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 coordinating designer series paper to 6" x 2-1/4"
2. Use the Painted Texture 3D Embossing Folder to emboss the 5-1/4" x 4" white cardstock panel. Adhere the embossed panel to the card front.
 3. On the Lemon Lolly Cardstock Panel measuring 3-1/2" x 1-1/2", use the trellis-like image over the surface of the panel. Adhere the Boho Blue print designer series paper panel to the card front and position the panel towards the upper left. Leave approximately 1/4" between the left and top edge of the panel and the left and top edge of the embossed panel. Then, adhere the stamped Lemon Lolly panel measuring 3-1/2" x 1-1/2" on top of the Boho Blue designer series paper panel. Leave a 1/4" between the left and top edge of the Lemon Lolly Panel and the left and top edge of the Boho Blue designer series paper panel so that they are off set.
 4. Cut the following:
 - Die cut 3 leaves from Garden Green cardstock. I cut two of the wider leaves and one of the longer, more narrow leaves.
 - Die cut the four pieces that make up the lily from Basic White cardstock...this includes three petal pieces and the stamen piece.
 - Hand cut a flower stem from Garden Green cardstock. I cut a piece approximately a 1/4" wide by 2-3/4" long.
 5. Use a Blender Pen to lightly brush Lemon Lolly ink on the unassembled Lily petals, then use Soft Sea Foam ink to highlight the cuts on the lily petals. Concentrate the Soft Sea Foam ink towards the centers of the petal pieces. Use the blender pen to color the stamen die cut with Soft Sea Foam ink then use the dark shade of a Pumpkin Pie Stampin' Blend to color the tips of the stamens. Assemble the lily petals and stamen piece. Adhere two Stampin' Dimensionals to the 2-petal piece towards the center, then adhere the 3-petal piece to the 2-petal piece making sure to offset the petals. Then adhere the stamen piece to the center of the flower using liquid glue. Lastly, adhere the single petal piece to the bottom of the 3-petal piece. Refer to photos for reference.

6. Determine placement of the lily on the card front, then use liquid glue to adhere the leaves and stem to the card front. You may need to trim the stem of the flower. The lily will angle towards the upper left and the leaves will overlap the blue and yellow rectangles on the card front. Adhere the lily to the card front using a combination of single stacked and double stacked Stampin' Dimensionals.
7. Stamp the sentiment "Trust in the Lord with all your heart" in Boho Blue ink onto the sentiment label. Adhere the label to its Boho Blue mat, then adhere the sentiment label to the card front using Stampin' Dimensionals. Position the label towards the lower right of the card front. The sentiment label will slightly overlap the rectangles, a leaf and the flower stem.

8. On the inside panel, stamp the trellis-like image down the right side of the panel using Lemon Lolly ink. Stamp the sentiment "God is good" in Boho Blue ink towards the top of the panel. Adhere the panel to the inside of the card.
9. Tie a Lemon Lolly Twine loose bow and adhere just under the base of the lily on the card front using a Mini Glue Dot.
10. Use the trellis-like image and stamp up the left side of the envelope front in Lemon Lolly ink.
11. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
