- Mat - Cut 1 Night of Navy cardstock to 4-3/4" x 3-1/2"
 - Panel - Cut 1 Crumb Cake cardstock to 4-1/2" x 3-1/4"
 - Sentiment Label - Cut 1 Flirty Flamingo cardstock to 2-1/2" x 1/2"
 - Inside Mat - Cut 1 Night of Navy cardstock to 5-1/4" x 4"
 - Inside Panel - Cut 1 Crumb Cake cardstock to 5" x 3-3/4"
2. Use the trellis-looking mask from the Artistic Mix Decorative Masks to ink blend Crumb Cake ink onto the card base front. With the card base fully closed, lay the card base onto a protected work surface and place the mask over the card front. Make sure to center the stencil onto the card front, then secure the edges of the mask using small pieces of Post It Tape or Washi Tape. Using a blending brush, begin ink blending Crumb Cake ink over the entire card front and mask. Carefully remove the mask and rinse the mask under warm water and pat dry with a paper towel.
 3. On the Crumb Cake panel measuring 4-1/2" x 3-1/4" stamp the large flower image from the Lasting Joy Stamp Set in Flirty Flamingo ink onto the card front. I randomly stamped the image six times and tried to space out the flowers across the card front as best as I could. Stamp the flower center image inside each of the large flowers using Night of Navy ink. Next, stamp the greenery image from the Lasting Joy Stamp Set next to the flowers in Granny Apple Green ink. I stamped one leaf stem coming off of each large flower previously stamped. Use the smallest flower stamp to stamp flowers in the remaining spaces between the large flowers and stamp in Bubble Bath ink. Use the small leaf image to stamp small leaves around the small flowers using Granny Apple Green ink.

4. Adhere the stamped panel to the 4-3/4" x 3-1/2" Night of Navy mat. Turn the unit over and locate the center of the top and bottom of the panel. Place a small amount of Stampin' Seal onto the back of the panel at the center marks on the top and bottom of the panel and wrap Baker's Twine around the panel vertically three times and secure the ends of the twine to the areas of Stampin' Seal. Adhere the panel to the card front using Stampin' Dimensionals and center the panel from top to bottom and left to right.
5. Stamp the sentiment "Thinking of You" onto the Flirty Flamingo sentiment label using Night of Navy ink. Adhere the sentiment label to the card front using Stampin' Dimensionals. I positioned the sentiment label approximately two thirds of the way down the card and to the right. The left side of the sentiment label will overlap the wrapped thread and the right side of the sentiment label will hang off of the stamped panel slightly on the right.
6. Tie a double bow using Baker's Twine and adhere the bow over the wrapped twine towards the top of the card. Leave the bow ends long but trim if necessary so they don't hang over the sentiment label.
7. On the inside panel, stamp the large flower in Flirty Flamingo ink onto the lower left corner. Stamp the flower center in Night of Navy ink. Stamp two greenery/leaf sprigs on either side of the flower using Granny Apple Green ink. Adhere the panel to its Night of Navy mat, then

adhere the panel to the inside of the card.

8. Repeat stamping of the large flower, flower center and greenery sprigs onto the lower left corner of the envelope front. On the envelope flap, stamp the smallest flower in Bubble Bath ink across the edge of the flap. Then, stamp the small leaves on the sides of the flowers using Granny Apple Green ink.
9. Adhere three Brushed Brass Butterflies to the card front. I placed a small butterfly on the left side of the sentiment label then adhered the remaining two around the flowers on the card front. Place one large Brass Butterfly on the inside panel near the stamped flower. Because the Brass Butterflies are flat, you can easily add these to the insides of your cards!

This completes the card! I love the look of stamped images on the Crumb Cake cardstock, and this creates such a pretty, charming card!
