For today's project I created 10 quick and easy Valentine's Day cards using the Country Floral Lane Suite of products plus a few other supplies. Below, I provide the basics, but the rest is up to your imagination!

I participate in a card project where volunteers create cards for residents of a local hospital for the chronically ill. The residents of this hospital are seniors who have no family to care for them. Providing cards each month lets them know someone cares. This initiative is in its 3rd or 4th year and the residents greatly look forward to receiving cards each month!

Products Used:

- Country Gingham 6" x 6" Designer Series Paper

Cardstock:

1. Basic Card Cuts:

- Card Bases - Cut cardstock color desired to 8-1/2" x 5-1/2", score at 4-1/4"
- Designer Series Paper Mats - Cut colors/patterns as desired to 5-1/4" x 4"
- Inside Panels - Cut Basic White cardstock to 5-1/4" x 4"
- Envelope Flaps - Cut coordinating DSP to 6" x 2-1/2"

2. I worked with four basic colors - white, Balmy Blue, Sweet Sorbet and Mint Macaron. I started by choosing papers from the Country Gingham DSP and the Country Floral Lane DSP, then cut all of my card bases and DSP mats at one time.
3. The Something Fancy Dies set was used to cut some of the sentiment labels, but I also used the large heart from the Country Bouquet Punch as a sentiment label for some of the cards.
4. Ribbon: Use Mini Glue Dots to adhere ribbon to the card fronts. For strips of the Burlap Ribbon, I used Tear & Tape to adhere the strips to the card fronts.
5. Embellishments: Use Pastel Adhesive-backed Sequins and Rhinestone Basic Jewels. Stampin' Blends in Balmy Blue and Sweet Sorbet were used to color the rhinestones as needed to coordinate with the cards.
6. Use the Country Bouquet Punch to punch out hearts from cardstock or coordinating DSP.
7. Use strips, squares, and rectangles of coordinating designer series paper to dress up your cards.
8. Inside Panels: All inside panels are stamped with "Happy Valentine's Day" and I stamped some additional hearts on the panels.
9. Envelopes: Stamp hearts on the card fronts and adhere a coordinating piece of DSP to the
