4. Stamp the sentiment "You're on my mind" onto a scrap of Basic White cardstock in Pretty Peacock ink. Use the label die included in the Natural Prints Dies set to cut out.
5. Adhere the Lost Lagoon wreath die cut image onto the card front using liquid glue and center from top to bottom and left to right. Arrange the greenery die cut pieces on the left side of the wreath and adhere using liquid glue. Refer to photos for placement.
6. Tie a large double bow from Linen Thread and adhere the bow vertically to the left side of the wreath using a small amount of Stampin' Seal.
7. Use a double stack of Stampin' Dimensionals to the back of the sentiment label then adhere the sentiment label to the card front. The left side of the sentiment label will sit over top of the bow knot.
8. Use the fern image from the Nature's Prints Stamp Set and stamp this image in Pretty Peacock ink onto the lower left corner of the inside panel. Then partially second-generation stamp the same image on either side of the first stamped image of the fern. Adhere the panel to the remaining Pretty Peacock mat, then adhere this to the inside of the card.

9. Partially stamp the fern image onto the envelope front, in Pretty Peacock ink then second-generation stamp the same image on either side of the first stamped image.
