For today's card I used the cute Playful Ghosts Stamp Set to create this Halloween card. This is a stand-alone stamp set and you can find it in the Online Exclusives section of the Online Store. I've used quite a few techniques on this card including ink blending, second generation stamping, ink splattering, embossing and coloring. Let's take a look!

- Stampin' Blends: Highland Heather, Pumpkin Pie, Lemon Lolly, Wild Wheat, Crumb Cake
- Watercolor Pencils: Basic Gray, Flirty Flamingo, Granny Apple Green

1. Card Cuts:

- Card Base - Cut 1 Lemon Lolly cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Panel - Cut 1 Highland Heather to 5" x 3-3/4"
- Stamped & Die Cut Circle - Cut 1 Basic White to 3-1/2" x 3-1/2"
- Inside Mat - Cut 1 Highland Heather cardstock to 5-1/8" x 3-7/8"
- Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
- Envelope Flap - Cut 1 Pumpkin Pie print from the Brights Designer Series Paper pack to 6" x 2-1/4"

2. On the 5" x 3-3/4" Highland Heather panel, second generation stamp the "Boo!" sentiment all across the panel using Highland Heather ink. Use the dark shade of a Highland Heather Stampin' Blend to splatter ink across the panel. You can do this by striking the Stampin' Blend against another marker or a large pair of scissors. Caution: Protect your work surface before ink splattering! Use the Painted Texture 3D Embossing Folder to emboss the panel. Adhere the panel to the card front using liquid glue.

3. Prepare the stamped and colored circle for the card front:

- Lay the largest circle die from the Stylish Shapes Dies onto a piece of white cardstock measuring 3-1/2" x 3-1/2". Stamp the image of the flying ghost in Tuxedo Black Memento ink. Then stamp the "Happy Halloween" sentiment below the ghost in Tuxedo Black Memento ink, then stamp the bat and star image above the ghost in Tuxedo Black Memento ink. Remove the circle die. Refer to photos for placement of these stamped images.
- Create a negative circle mask by die cutting a scrap piece of cardstock and the third from smallest circle die from the Stylish Shapes Dies. You can save the circle for a future project. Use the negative to draw in a partial moon behind the ghost using the light and dark shades of Lemon Lolly Stampin' Blends. Carefully color in the moon around the ghost. The stamped bat and stars will sit in the middle of the moon.
- Color in the ghost's hat using Highland Heather Stampin' Blends. Color the patch on the hat using a Pumpkin Pie Stampin' Blend.
- Use a Basic Black Stampin' Blend to color in the sash around the hat and use a Wild Wheat Stampin' Blend to color in the buckled on the hat's sash.
- Use a Basic Gray Watercolor Pencil to shade the ghost just under the hat brim, arm and cape.
- Color the broom using a Wild Wheat Stampin' Blend. Color the broom handle using a Crumb Cake Stampin' Blend.
- Use a blending brush to lightly blend Balmy Blue ink around the circle. Be careful not to blend over the ghost or moon.
- Use Wink of Stella to color over the broom and create a sparkly trail behind the broom with Wink of Stella. Dot Wink of Stella in the sky for some sparkly stars.

4. Adhere the stamped, colored and die cut circle to the card front using Stampin' Dimensionals. Center the circle from top to bottom and position the circle to the right. The right side of the circle will overlap the right edge of the Highland Heather panel.
5. Cut a length of Large Check Ribbon and use the dark shade of a Pumpkin Pie Stampin' Blend to color the ribbon. Give the ribbon a few minutes to dry then tie a bow. Adhere the bow to the left of the circle using a Mini Glue Dot. Trim the ends of the ribbon as necessary.
6. On the inside panel, Stamp the "Boo!" sentiment and the ghost popping out of the pumpkin in Tuxedo Black Memento ink. Use Pumpkin Pie and Lemon Lolly Stampin' Blends to color in the pumpkin. Use a Basic Gray Watercolor Pencil to shade the ghost. Color the stem of the pumpkin with a Crumb Cake Stampin' Blend. Use a Crumb Cake Stampin' Blend to draw in some ground under the pumpkin. Use a Flirty Flamingo Watercolor Pencil to color the ghost's tongue. Adhere the panel to the Highland Heather mat, then adhere this to the inside of the card.

7. Stamp the image of the two pumpkins onto the envelope front. Color in the pumpkins using a Pumpkin Pie Stampin' Blend. Color the stems and ground using a Crumb Cake Stampin' Blend. Color in the pumpkin leaf using a Granny Apple Green Watercolor Pencil.
8. Adhere a Pumpkin Pie striped print from the Brights Designer Series Paper pack to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Adhere three small Purple Fine Shimmer Gems to the round circle on the card front to complete the card.
