I pulled out one of my favorite bundles and paper for today's cards - the Magical Meadow Bundle and the Winter Meadow 12" x 12" Designer Series Paper. This easy stack and cut technique creates two cards. Let's take a look!

Cut 1 Pine Tree print to 5-1/4" x 4"

- Sentiment Labels:

Cut 1 Pretty Peacock cardstock and 1 Basic White cardstock to approximately 2-1/4" x 1-5/8"

- Sentiment Label Mats:

Cut 1 Basic White cardstock and 1 Pretty Peacock cardstock to approximately 2-3/4" x 2"

- Inside Mats - Cut 2 Basic White cardstock to 5-3/8" x 4-1/8"

- Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"

- Envelope Flaps - Cut 2 coordinating pieces of designer series paper to 6" x 2-1/4"

2. Stack the 2 designer series paper panels together so that both are facing right side up. On one long side, make a light pencil mark at the center point, which is 2-5/8". On the other long side, measure from the top down to 1-7/8" and make a mark. Measure from the bottom up at 1-7/8" and make a mark. Making sure the two pieces of designer series paper are stacked together, use a paper trimmer to line up the first mark at 2-5/8" and one of the 1-7/8" marks and cut. Next, line up again at the 2-5/8" mark and the second 1-7/8" mark and cut. You are essentially cutting a wedge from the two pieces of designer series paper. Lay the cut pieces out so that you will have one card front with a Pretty Peacock top and bottom and a pine tree print center wedge, and the other card front will have a pine tree print top and bottom and a Pretty Peacock center wedge. Adhere these pieces to the outside white panels measuring 5-1/4" x 4".
3. Use a length of Lost Lagoon Bordered Ribbon and wrap the ribbon horizontally across the center of each card and secure the ends on the back of the panels using Stampin' Seal.

4. The predominantly Pretty Peacock card front will have white die cut greenery and the predominantly white card front will have Pretty Peacock die cut greenery. Use the Magical Meadow Dies to die cut the following:
 - Cut 3 holly leaves from Basic White cardstock
 - Cut 1 pine sprig with berries from Basic White cardstock
 - Cut 1 leaf sprig with berries from Basic White cardstock
 - Cut 3 holly leaves from Pretty Peacock cardstock
 - Cut 1 pine sprig with berries from Pretty Peacock cardstock
 - Cut 1 leaf sprig with berries from Pretty Peacock cardstock
5. Adhere Loose Silver Sequins to the berries on the die cut greenery. Note that you do not need to glue sequins on the lower branches as they will be covered up by the sentiment label. Adhere one greenery piece pointing up from the narrow end of the wedge on the card front and the other pointing down.
6. Use the second to smallest Nested Essentials die to cut 1 white and 1 Pretty Peacock sentiment label. Use the second to largest Nested Essentials die to cut 1 white and 1 Pretty Peacock sentiment label mat.
 - On the white sentiment label, stamp the sentiment "The colder weather brings us together" in Pretty Peacock ink. Adhere the white sentiment label to a Pretty Peacock mat. Adhere the sentiment label to the predominantly white card front on the left side of the panel and center from top to bottom.
 - On the Pretty Peacock sentiment label, stamp the same sentiment using VersaMark ink. Sprinkle white embossing powder over the stamped sentiment and set using a Heat Tool. Adhere the Pretty Peacock sentiment label to the white sentiment label mat. Adhere the sentiment label to the predominantly Pretty Peacock card front on the left side of the panel and center from top to bottom.
7. Tuck the die cut holly leaves around the sentiment label and greenery. The Pretty Peacock holly leaves get adhered to the predominantly white card front and the white holly leaves get adhered to the predominantly Pretty Peacock card front.
8. Tie two small bows using Lost Lagoon Bordered Ribbon. Attach a bow to each card front panel using a Mini Glue Dot. Position the bows to the left of the sentiment labels.
9. Adhere the panels to Thick Basic White cardstock bases using Stampin' Dimensionals.
10. On the inside panel for each card stamp the sentiment "may this season of sparkle bring joy & delight" in Pretty Peacock ink. Third generation stamp the pine sprig image in Pretty Peacock ink over the stamped sentiment. Adhere each inside panel to a white mat, then adhere to the insides of the card bases.
