1. Card Cuts:

- Card Base - Cut 1 Crushed Curry cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Pretty Peacock cardstock to 5-3/8" x 4-1/8"
- DSP Panel - Cut 1 Poppy Parade and Gray Granite striped paper from the Trusty Toolbox DSP to 5-1/4" x 4"
- DSP Circle - Using a 2" Circle Punch, punch out 1 Crushed Curry with tools print from the Trusty Toolbox DSP
- Sentiment Label - Cut 1 Crumb Cake cardstock to 2-1/2" x 1/2"
- Scraps of Crumb Cake cardstock to die cut the toolbox and toolbox handle
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. Begin by adhering the 5-1/4" x 4" piece of striped designer series paper to one of the Pretty Peacock mats then adhere this unit to the card front.

3. Use a 2" Circle Punch to punch out a circle from the designer series paper in a Crushed Curry tool print. Adhere the circle to the card front and position in the upper left hand corner.

4. Using the Trusty Tools Dies, die cut the following from the Trusty Toolbox 12" x 12" Designer Series Paper and follow any additional instructions:

- 1 Toolbox - Use a blending brush and Early Espresso ink to antique the toolbox.
- 1 Toolbox Handle - Use a blending brush and Early Espresso ink to antique the toolbox handle.

5. Fussy cut 1 level from the Trusty Toolbox 12" x 12" Designer Series Paper.
6. Attach the toolbox handle to the back of the top of the die cut toolbox. Adhere the toolbox to the card front and position it towards the lower right. Use a small amount of liquid glue to tuck and adhere the tools inside of the toolbox, with the exception of the pencil. Adhere the pencil over the circle at an angle. **Note that you will need to trim the hammer handle and the bottom of the level in order to fit them inside of the toolbox.** Refer to photos for placement of the tools inside of the toolbox.
7. Using the Something Fancy Stamp Set, stamp the "Happy Birthday" sentiment onto the sentiment label and stamp towards the left of the label using Early Espresso ink. Cut a banner end on the right side of the sentiment label. Use a Blending Brush and Early Espresso ink to antique the edges of the sentiment label. Adhere the sentiment label to the card front using Stampin' Dimensionals and position the label towards the upper left and overlapping the punched circle and pencil.
8. On the inside panel, stamp the sentiment "You're the most awesome" in Early Espresso ink. Stamp the image of the paint brush in the lower corner of the panel and use Stampin' Blends in Crumb Cake, Gray Granite and Lost Lagoon to color in the image. Adhere the panel to

the remaining Pretty Peacock mat, then adhere to the inside of the card.

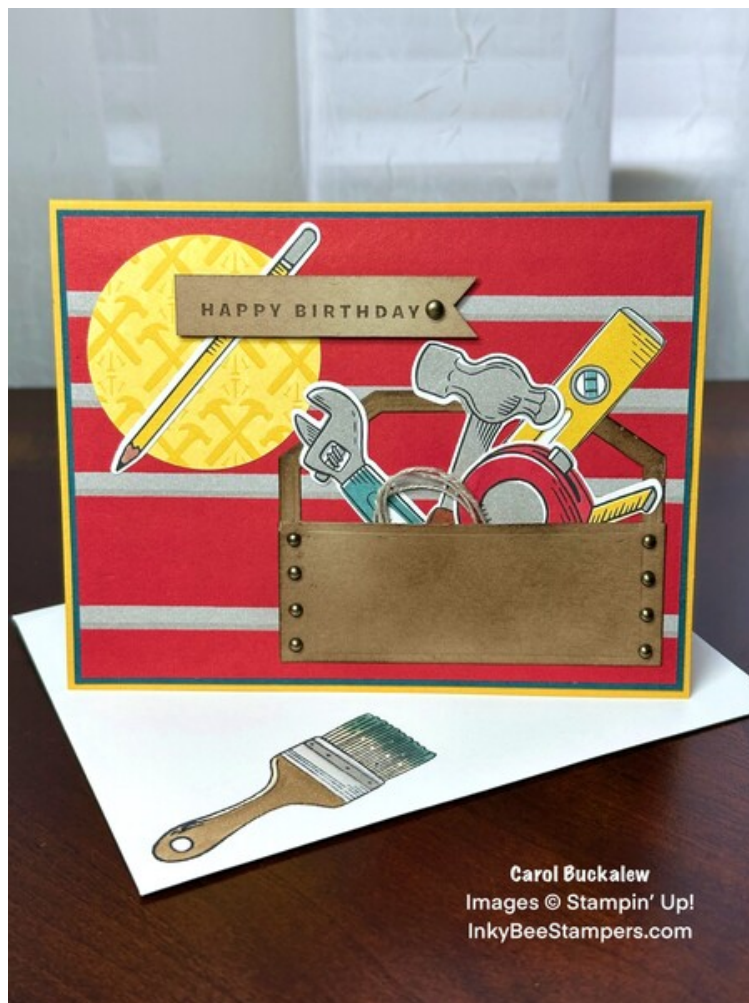

9. Wrap several loops of Linen Thread and tuck the looped thread inside of the Toolbox.
10. Use the smallest Rustic Metallic Adhesive-Backed Dots to the sides of the toolbox (4 on each side). Adhere one larger Rustic Metallic Dot to the right of the sentiment.
11. Adhere the coordinating piece of Designer Series Paper to the envelope flap and use a pair of small scissors or paper snips to trim the excess paper away from the flap.
12. Stamp the paintbrush image onto the lower left of the envelope front using Tuxedo Black Memento Ink. Use Stampin' Blends in Crumb Cake, Gray Granite and Lost Lagoon to color in the image. Caution: Place a piece of scrap paper or cardstock inside of the envelope to prevent bleed through of the markers on the envelope.
