The ***Darling Details Bundle*** and Regals 6" x 6" Designer Series Paper were used to create today's card. How pretty is this all red and white card? There is something really fun when using the Darling Details Dies...one of the dies cuts out a sweet border which you can then weave ribbon through! Ribbon that is 1/4" in width works best. Fun!

## 1. Card Cuts:

- Card Base - Cut 1 Thick Basic White cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Red Strip - Cut 1 Real Red cardstock to 5-3/8" x 1"
- DSP Strip - Cut 1 red and white polka dot pattern from the Regals Designer Series Paper to 5-3/8" x 2"
- Scraps of Real Red and Basic White cardstock for die cutting border (Basic White) and flowers (Real Red)
- Sentiment Label - Cut 1 Basic White cardstock to 1-1/2" x 1-1/2"
- Inside Mat - Cut 1 Real Red cardstock to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

## 2. Die cut the following using the Darling Details Dies:

- 1 tall, thin flower stalk from Real Red cardstock
- 1 multi flower and stem from Real Red cardstock
- 1 3-leaf image from Real Red cardstock
- 2 small open leaf images from Real Red cardstock
- 1 border measuring at least 5-3/8" wide by 3/4" tall from Basic White cardstock. Center the die onto the cardstock and secure with a Post It Note or Post It Tape when running through the die cutting machine. Trim as needed so that the border is 5-3/8" wide.

## 3. Adhere the 5-3/8" x 1" strip of Real Red cardstock to the top of the 5-3/8" x 2" piece of polka dot DSP so that the top and sides are flush with each other.

## 4. On the white die cut border, weave Real Red ribbon from the Real Red & Burlap Ribbon Combo Pack through the vertical slits cut into the border. Leave at least a 1/2" of excess ribbon on each side. On the back side of the border, fold each ribbon end back onto itself and use a small piece of Tear & Tape to secure the ribbon in place on both ends. Use liquid glue to adhere the white border to the red and polka dot print unit. Position the border over top of the Real Red strip and leave approximately 1/16" of the red cardstock showing below the white border. Adhere the unit to the card front using Stampin' Dimensionals and position at the bottom of the card, leaving a 1/16" reveal on the left, bottom and right sides of the card front. **Note: When placing Stampin' Dimensionals, leave some space at the top of the unit so that you can tuck in die cut flowers and leaves.**

## 5. Adhere the Real Red die cut leaves and flowers under the unit from Step #4 above. Refer to photo for placement.

7. On the inside panel, stamp the half flower image from the Darling Details Stamp Set using Real Red ink. Adhere the panel to its Real Red mat, then adhere to the inside of the card base.

This completes the card! I love the crisp look of the red and white together and the ribbon woven through the white border is such a sweet touch!
