- Card Base - Cut 1 Night of Navy cardstock to 8-1/2" x 5-1/2". Score at 2-1/8" and 4-1/4". The 2-1/8" score line is a mountain fold and the 4-1/4" score line is a valley fold.
 - DSP Panel - Cut 1 Lost Lagoon solid print from the Trusty Tools DSP to 5-3/8" x 2"
 - DSP Panel - Cut 1 graph print from the Trusty Tools DSP to approximately 4-3/4" x 3-1/2"
 - Mat - Cut 1 Night of Navy cardstock to 4-3/8" x 3-1/8"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/2" x 1-1/8"
 - Sentiment Label Mat - Cut 1 Night of Navy cardstock to 2-1/2" x 1-1/8"
 - Scrap of Basic White cardstock for stamping and die cutting the paint brush
 - Inside Mat - Cut 1 Lost Lagoon solid print from the Trusty Tools DSP to 5-3/8" x 4-1/8"
 - Inside Panel - Cut 1 Basic White cardstock to 4-1/4" x 3"
 - Envelope Flap - Cut 1 piece of coordinating DSP to 6" x 2-1/4"
2. Adhere the Lost Lagoon solid print designer series papers to the 2-1/8" section of the card front and the inside of the card base.

4. Using the Trusty Tools Stamp Set, stamp the image of the paint brush onto a piece of scrap Basic White cardstock using Tuxedo Black Memento Ink. Use Stampin' Blends to color in the image. Color the handle using Pecan Pie, the section below the handle in Smoky Slate, the tip of the bristles using Poppy Parade and the remaining bristles in Crumb Cake Stampin' Blends. Use the coordinating die from the Trusty Tools Dies set to cut out the image. Use a short length of Linen Thread and thread through the hole on the paint brush handle and tie a knot. Set aside for now.
5. On a scrap piece of white cardstock, stamp the sentiment "Make a Wish" from the Hooray for Surprises Stamp Set in Poppy Parade ink. Use the smallest Deckled Rectangle Die to cut out the sentiment. Adhere the sentiment to its Night of Navy Mat.
6. On the die cut graph paper print rectangle, position the sentiment label towards the top of the rectangle and place the paint brush below the sentiment at an angle. Do not attach these items to the panel yet! Using the paint splotch stamp from the Trusty Tools Stamp set, stamp the paint splotch just below where the paint brush will sit on the panel using Poppy Parade ink. Then, adhere the graph paper print panel to its Night of Navy mat.

7. Adhere the sentiment label to the top of the graph paper panel using Stampin' Dimensionals. Adhere the paint brush to the panel using Stampin' Dimensionals and position the paintbrush so that it is hovering over the paint splotch you stamped previously. Adhere the panel to the 2-1/8" wide section of the card front by apply adhesive (liquid glue, Stampin' Seal or Tear & Tape) to just the left side of the panel. With the card base fully closed, adhere the panel to the card front and center it from left to right and top to bottom.
8. Using the Hooray for Surprises Stamp Set, stamp the sentiment "Hope your birthday is wonderful" in Poppy Parade ink onto the inside panel. Partially stamp the image of the paint brush using Tuxedo Black Memento ink, then use Stampin' Blends to color in the image. Stamp the ink splotch below the brush in Poppy Parade ink. Adhere the panel to the inside of the card base so that the outer panel unit will cover the inside panel when the card is closed.

9. Partially stamp the paint brush image onto the envelope front using Tuxedo Black Memento ink. Use Stampin' Blends to color in the image. Stamp the paint splotch below the brush using Poppy Parade ink. Caution: Place a scrap piece of paper or cardstock inside of the

envelope to prevent bleed through of the markers.

10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the envelope flap.
11. Adhere several Rustic Metallic Adhesive-Backed Dots to the card front to complete the project.

This completes the card! This is a perfect birthday card for that handy guy in your life!
