1. Card Cuts:

- Card Base - Cut 1 Flirty Flamingo cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- DSP Panel - Cut 1 Balmy Blue and Misty Moonlight print from the Les Shoppes Designer Series Paper to 5-3/8" x 4-1/8"
- 2-3/8" Circle - Punch 1 from Flirty Flamingo cardstock
- 2" Circle - Punch 1 from Basic White cardstock
- 3-1/2" Square - Cut 1 from Flirty Flamingo cardstock
- Scraps of Basic White, Granny Apple Green and Night of Navy for die cutting
- Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Adhere the 5-3/8" x 4-1/8" DSP panel to the card front.

3. Using white Baker's Twine, wrap the twine around the left side of the card front vertically two times and tie a bow towards the bottom of the card front. The twine will be approximately 1" from the center fold of the card and the bow about 1" from the bottom of the card front.

4. Use the Exposed Brick 3D Embossing Folder to emboss the 3-1/2" Flirty Flamingo square. Adhere the square to the card front using Stampin' Dimensionals. Position the square at the top of the card front and leave approximately a 1/4" reveal around the left, top and right edges.

5. Using the Let's Go Shopping Dies, die cut the following:

- Cut 1 solid awning from Basic White cardstock
- Cut 1 open awning from Night of Navy cardstock
- Cut 2 greenery pieces from Granny Apple Green cardstock

6. From the Les Shoppes Designer Series Paper, fussy cut 1 Ice Cream Shop and 1 Ice Cream Cone. Trim the greenery off of the top of the Ice Cream Shop in a straight line.

7. Adhere the two greenery pieces that you die cut to the top of the Ice Cream Shop building using liquid glue. The pieces will slightly overlap in the middle. Adhere the open awning die cut to the solid awning die cut, then adhere the awning over top of the door on the fussy cut Ice Cream Shop using Stampin' Dimensionals. Adhere the Ice Cream Shop to the 3-1/2" Flirty Flamingo square on the card front using Stampin' Dimensionals.

8. On the 2" white circle, stamp the sentiment "You are such a sweet treat" in Night of Navy ink. Stamp the sentiment towards the bottom of the circle. Adhere the 2" circle to the 2-3/8" Flirty Flamingo circle using liquid glue. Adhere the fussy cut ice cream cone to the top of the sentiment label at an angle. Use liquid glue to adhere the ice cream cone. Use a double stack of Stampin' Dimensionals on the bottom half of the circle unit, then adhere the sentiment label to the card front. The label will overlap the bottom of the Ice Cream Shop. Note: You need to use a double stack of Stampin' Dimensionals on the label since the Flirty Flamingo square and the Ice Cream Shop were both adhered to the card front using Stampin' Dimensionals. This brings the sentiment label up to the correct height.
9. On the inside panel, stamp the sentiment "Wish you were here" in Night of Navy ink. Stamp the small planter in Night of Navy ink onto the lower right corner of the inside panel. Use Balmy Blue and Granny Apple Green Stampin' Blends to color in the planter. Adhere the panel to the inside of the card.

10. Stamp the same small planter onto the envelope front and color in using Stampin' Blends. Adhere the coordinating piece of DSP to the envelope flap and trim the excess paper away from the flap.
11. Adhere several small blue Solid Gems to the ice cream cone (Extra sprinkles!) and a larger blue Solid Gem to the sentiment label.
