This pretty note card was created using the **Spotlight on Nature Bundle** and the **Brights 6" x 6" Designer Series Paper**. I pulled the sentiment from the Wonderful Thoughts Stamp Set. I used some mixed media coloring on the flowers and leaves. Let's check it out!

- DSP Panel - Cut 1 print from the Brights Designer Series Paper to 5-3/8" x 4-1/8"
 - Die Cut Circle - Cut 1 Basic White cardstock to approximately 3-1/2" x 3-1/2"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2-1/4" x 1"
 - Sentiment Label Mat - Cut 1 Granny Apple Green to approximately 2-7/8" x 3/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to the card front using liquid glue.
3. On the 3-1/2" x 3-1/2" piece of white cardstock, stamp the large flower image from the Spotlight on Nature Stamp Set. **When stamping this image, second generation stamp using Smoky Slate ink.** This will help you achieve the no line look when coloring the image! Use Stampin' Blends in Pretty in Pink and Flirty Flamingo to color in the flowers then use the Stampin' Blend Color lifter to lift out some highlights on the petals. Note that the darker areas on the petals occur where a petal on top is casting a shadow on the petal behind it. You can further darken the shadows on the petals by using a well sharpened Flirty Flamingo Watercolor Pencil. Color in the leaves and stems using a well sharpened Granny Apple Green Watercolor Pencil. Use the Dashed Die from the Spotlight on Nature Dies to cut out the image and be sure to center the die over the flower image. The lower stems will be cut off when die cutting and that's okay. This die measures approximately 3-1/4" across. Adhere the die cut circle to the card front using Stampin' Dimensionals and position the circle towards the top of the card front and center from left to right.

4. Stamp the "hello" sentiment from the Wonderful Thoughts Stamp Set in Granny Apple Green ink onto white cardstock. Use the short, wide banner die from the Stylish Shapes Dies to cut out the sentiment. Then cut a second banner from Granny Apple Green cardstock using the long skinny banner die. Adhere the white sentiment label to the long Granny Apple Green mat.
5. Place a small amount of Stampin' Seal just below the lower right of the die cut circle on the card front then adhere a doubled over length of Silver & White Sheer Ribbon at an angle. Then adhere the sentiment label to the card front using Stampin' Dimensionals. Position the sentiment label overtop of the ribbon and just below and to the right of the die cut circle. The top left of the sentiment label slightly overlaps the bottom right of the die cut circle.
6. On the inside Panel, partially stamp the large leaf image around the lower left corner of the panel using Granny Apple Green ink. I partially stamped the image three times. Use a Granny Apple Green Watercolor Pencil to color in the leaves. Adhere the panel to the inside of the card.

7. Repeat partial stamping of the large leaf image onto the envelope front and use a Granny Apple Green Watercolor Pencil to color in the images.
8. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Adhere three Flirty Flamingo Rainbow Adhesive-Backed Dots to the die cut circle on the card front to complete the project.

This completes the card! The floral image from the Spotlight on Nature Stamp Set is just beautiful and the die cut circles from the Spotlight on Nature Dies are equally pretty! Products used to create this card are included on the next page.
