 - DSP Strip #1 - Cut 1 diamond print designer series paper to 5-1/4" x 2"
 - DSP Strip #2 - Cut 1 blue lattice print to 2-3/4" x 7/8"
 - Sentiment Label - Cut 1 Basic White cardstock to 2-3/8" x 7/8"
 - Scraps of Basic White cardstock for stamping, coloring and die cutting egg and bunny
 - Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"

2. Adhere the Lemon Lolly and white stripe DSP Panel to the card front, then adhere the DSP Strip #1 to the card front. Position this strip of paper to the left of the card front so that left edge it is approximately 5/8" from the left edge of the striped panel. Use liquid glue to adhere the panel and strip to the card front.
 3. Stamp the "Happy Easter" sentiment onto the sentiment label using Azure Afternoon ink. Adhere the DSP Strip #2 to the back of the sentiment label so that it is off set. Refer to photos for reference. Adhere the sentiment label unit to the card front using Stampin' Dimensionals and position the sentiment label about two-thirds of the way down the card front and spanning the vertical strip of paper.

4. On a scrap piece of white cardstock, stamp the decorative egg image in Azure Afternoon ink. Stamp the bunny in Pecan Pie ink. Use Stampin' Blends to color in the egg and bunny. I used Flirty Flamingo, Lemon Lolly, Fresh Freesia and Balmy Blue to color in the egg. Crumb Cake and Flirty Flamingo Stampin' Blends were used to color in the bunny. Use the coordinating dies from the Excellent Eggs Dies set to cut out these images. Adhere the egg to the card front, tucking the bottom of the egg under the sentiment label, then adhere the bunny to the lower right of the egg.
5. On the inside panel, stamp the sentiment "there's no bunny like you" in Azure Afternoon ink. Stamp the bunny in Pecan Pie ink onto the lower right corner of the panel. Use Stampin' Blends in Crumb Cake and Flirty Flamingo to color in the bunny. Adhere the panel to the inside of the card.

6. Stamp the bunny image onto the card front and color the image with Crumb Cake and Flirty Flamingo Stampin' Blends. Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring to prevent bleed through of the markers.
7. Adhere the coordinating piece of designer series paper to the envelope flap and use a small

pair of scissors or paper snips to trim the excess paper away from the flap.

8. Using Flirty Flamingo Baker's Twine, tie a double bow, then adhere the bow to the card front using a Mini Glue Dot. Position the bow to the upper left of the sentiment label.
9. Adhere three blue Rainbow Adhesive-Backed Dots to the card front.

This completes the card! I love the bright, cheerful colors from the Lighter Than Air Designer Series Paper for this Easter card! Products used to create this card are included on the next page.
