I have a different fun fold for you today. I'm calling this a Reverse Center Pop Out fun fold. This fun fold was inspired by Delight of My Art on YouTube. The card was created using the **Sentimental Wishes Bundle** and **Sentimental Christmas 12" x 12" Designer Series Paper**. I love a traditional center pop out card just because you can show off pretty designer series paper. This is the same fold but the front and back of the card is reversed...hence the Reverse Center Pop Out! And there is still plenty of real estate to show off the pretty paper. Let's get started!

Supplies:

- Sentimental Wishes Bundle
- Sentimental Christmas 12" x 12" Designer Series Paper
- Stylish Shapes Dies
- Shaded Spruce Satin & Sheer Ribbon
- Adhesive-Backed Sequins Trio
- Blender Pen
- Watercolor Pencil - Garden Green
- Cardstock: Shaded Spruce, Basic Beige
- Ink: Tuxedo Black Memento Ink, Shaded Spruce, Basic Beige
- Stampin' Blends: Lemon Lolly, Shaded Spruce, Old Olive, Pretty Peacock, Pumpkin Pie, Cherry Cobbler
- Watercolor Pencil: Garden Green

1. Card Cuts:

- Card Base - Cut 1 Shaded Spruce cardstock to 8-1/2" x 5-1/2". Score at 2", 3-1/8", 5-

- 3/8", and 6-1/2"
 - DSP Panels using the Sentimental Christmas Designer Series Paper:
 - Cut (4) pine tree print in Shaded Spruce to 5-3/8" x 1-7/8"
 - Cut (4) diagonal strip print to 5-3/8" x 1"
 - Cut (1) Christmas tree print to 5-3/8" x 2-1/8"
 - Sentiment Label - Cut 1 Basic Beige cardstock to 2-1/2" x 2-1/2"
 - Inside Panel - Cut 1 Basic Beige cardstock to 5-3/8" x 2-1/8"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. NOTE: The center front of the card will be facing inwards, rather than popping out to the front. Adhere the pine tree print designer series paper panels to the far left and far right sections of the card base front. Adhere the the diagonal print panels next. Then adhere the Christmas tree print panel to the center section of the card front.
3. Use third from the largest Stylish Shapes Dies to cut out the circle sentiment from Basic Beige cardstock. From the Sentimental Wishes Stamp Set, stamp the sentiment "Have a very merry Christmas" in Shaded Spruce ink. To the center front panel of the card front, apply a small amount of Stampin' Seal then adhere a folded piece of Shaded Spruce Satin & Sheer Ribbon to the Stampin' Seal at an angle. I applied the Stampin' Seal about 2" down from the top of the center section. Then adhere the sentiment label over top of the attached ribbon using Stampin' Dimensionals. The top of the circle sentiment sits 1" from the top of the card base.

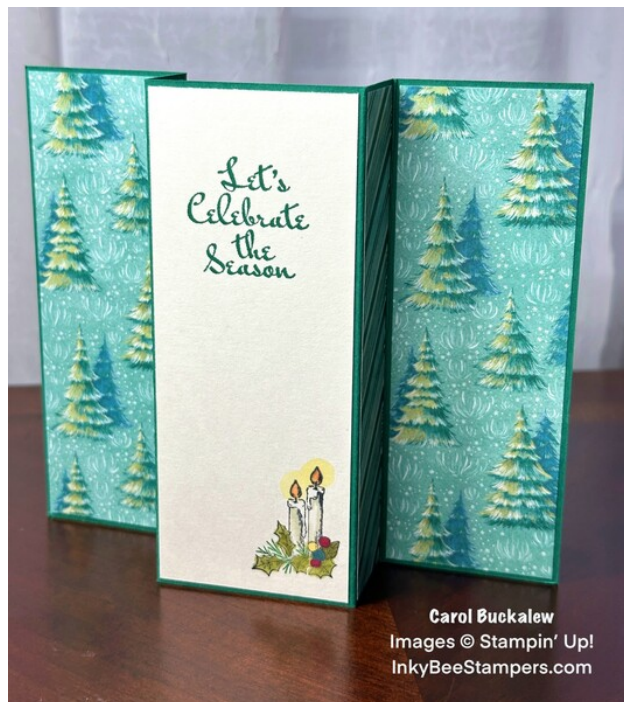

4. From the Sentimental Christmas Designer Series Paper, use the Sentimental Wishes Dies to cut out one stocking and one red ribbon. Adhere the top of the die cut stocking to the bottom of the sentiment label using a combination of liquid glue and Stampin' Dimensionals. Adhere the die cut ribbon to the top right side of the stocking.
5. Turn the card base over to the back side, and adhere the pine tree print and diagonal stripe print designer series paper panels to the outer left and right sections of the card base.

6. On the inside panel (or the back panel) stamp the sentiment "Let's Celebrate the Season" in Shaded Spruce ink. Using Tuxedo Black Memento ink, stamp the image of the candles onto the lower right corner of the panel. Use Stampin' Blends in Lemon Lolly, Shaded Spruce, Old Olive, Pretty Peacock, Pumpkin Pie, and Cherry Cobbler to color in the image. Use a Garden Green Watercolor Pencil to trace over the pine needles in the stamped image. Use a Blender Pen and Basic Beige ink to slightly shade the candle sticks. Then use a Lemon Lolly Stampin' Blend to draw in a small ring around the candle flames. Adhere the panel to the back center section of the card base.

7. Adhere three Pretty Peacock Adhesive-Backed Sequins to the center panel of the card front.
8. Stamp the candle image onto the envelope front in Tuxedo Black Memento ink and color the image as you did before.
9. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
