This card was created using the **Cottage Wreaths Stamp Set**, **Joy of Christmas 12" x 12" Designer Series Paper**, Stylish Shapes Dies, the Deckled Rectangles Dies, and the Timber 3D Embossing Folder. This card was quick and easy to put together making it a great option. While I made this into a Thank You card, this would be a great Christmas card as well...just change up the sentiments.

Supplies:

- Cottage Wreaths Stamp Set

- Stylish Shapes Dies
- Deckled Rectangles Dies

 - Scrap of Very Vanilla cardstock for stamping and die cutting wreath measuring 2-3/4" x 2-3/4"
 - Inside Mat - Cut 1 Cherry Cobbler cardstock to 5-3/8" x 4-1/8"
 - Inside Panel - Cut 1 Very Vanilla cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" X 2-1/4"
- Begin by embossing the wood grain designer series paper panel measuring 5-3/8" x 4-1/8" using the Timber 3D Embossing Folder. Adhere the panel to the card front using liquid glue.
- Using the Cottage Wreaths Stamp Set, Stamp the twig wreath in Early Espresso ink onto the piece of Very Vanilla cardstock measuring 2-3/4" x 2-3/4". Then, use the three-berry image and stamp berries around the twig wreath using Cherry Cobbler ink.
- Use the 2nd to largest circle die from the Stylish Shapes Dies set and position the die over the wreath you just stamped in Step #3 above. Hold the die in place using Post It Notes or Post It Tape. Then use the 2nd to smallest circle die from the Stylish Shapes Dies set and position this die at the center of the wreath and hold in place with Post It Notes or Post It Tape. Die cut the wreath using your Stampin' Cut & Emboss Machine. **Note: There is a die to cut out the twig wreath in the Country Wreath Dies, however, I wanted to try something different and opted on using the circle dies instead.** Adhere this unit to the card front using Stampin' Dimensionals.

- From the 4" x 2-3/4" piece of Cherry Cobbler cardstock use the 4th to largest Deckled Rectangle Die to cut out a rectangle. From the 4th smallest Decked Rectangle Die cut out a piece of the Shaded Spruce plaid piece of designer series paper. Adhere the plaid deckled rectangle to the Cherry Cobbler deckled rectangle.
- Stamp the sentiment "Grateful" in Cherry Cobbler ink onto a scrap of Very Vanilla cardstock. Use the smallest banner die from the Stylish Shapes Dies to cut out.
- Adhere the wreath to the card front at the top of the deckled rectangles panel using Stampin' Dimensionals. Adhere the sentiment just below the wreath using Stampin' Dimensionals. Adhere the Cherry Cobbler die cut bow at the top of the wreath using a small drop of liquid glue.
- On the inside panel, 3rd generation stamp the twig wreath in Early Espresso ink at the top of the panel, then stamp the sentiment "Some people just make life better" in Cherry Cobbler ink over top of the wreath. Stamp the greenery image in Shaded Spruce ink onto the lower corner of the panel. Adhere the panel to its Cherry Cobbler mat, then adhere to the inside of the card.

- Stamp the same greenery image on the envelope front using Shaded Spruce ink.
