2. You will need 1 of the Gold Foiled Flowers Cards & Envelopes. Using a Blending Brush, blend Moody Mauve ink onto one side of the Gold Foiled Flowers Card base. The back of the card was not ink blended. I made the centers of the larger flowers darker by blending more ink on just these areas. Once the ink blending is complete, use a dry paper towel or tissue to buff the ink off of the gold embossing.

3. Using the Lifetime of Love Stamp Set, stamp the three-rose image in Moody Mauve ink onto a piece of Very Vanilla cardstock. Use the coordinating die from the Lifetime of Love Dies to cut out the image. Also die cut 2 of the leaf stems from Moody Mauve cardstock. Set aside for now.

4. Using the Blueberry Bunches Stamp Set (or another stamp set with a thank you sentiment), stamp the sentiment in Moody Mauve ink onto the Very Vanilla sentiment label. Adhere the label to its Moody Mauve mat. Adhere the sentiment label to the ink-blended card front using Stampin' Dimensionals. Position the sentiment towards the lower right of the card front.
5. Adhere the three-rose die cut image to the card front using Stampin' Dimensionals. Position the flowers just above the left corner of the sentiment label. Adhere a Moody Mauve leaf stem just underneath the roses both on the right and left. Refer to photos for placement.
6. Tie a knot bow using a short length of Moody Mauve Textured Ribbon. Adhere the bow at the upper left corner of the sentiment label using a Mini Glue Dot.
7. Using the Lifetime of Love Stamp Set, stamp the single rose in Moody Mauve ink onto the Inside Panel. Adhere the panel to its Moody Mauve mat, then adhere this to the inside of the card base.
