- Sentiment Label DSP Mat - Cut 1 Misty Moonlight print to 2-5/8" x 1/2"
- DSP Rectangle - Cut 1 Misty Moonlight print to 2-3/4" x 1-3/4"
- Scraps of Basic White for stamping and die cutting
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/5"

2. Fold and burnish all score lines. The 2-1/4" score line is a valley fold, the 3-5/8" and 7-3/8" score lines are mountain folds, and the 8-3/4" score line is a valley fold.
3. Adhere the Center DSP Panel to one of the Copper Clay Center Mats. Adhere this unit to the center panel on the card front. Adhere the front and back Side DSP Panels to a Copper Clay Mat. Adhere the Pecan Pie print panels to the sides of the card front. Adhere the geographic print panels to the back side panels.
4. Stamp the sentiment "Another round for your birthday" in Pecan Pie ink onto the sentiment label. Adhere the Sentiment Label DSP mat in Misty Moonlight onto the back of the sentiment label. Allow a 1/4" of the mat to show below the bottom edge of the sentiment label and center from left to right. Adhere the sentiment label to the center front panel of the card using Stampin' Dimensionals. Position the label so that the top edge of the label is approximately 3/8" from the top of the card base.
5. Stamp, then die cut the pieces indicated below using the Brewed for You Stamp Set and Dies. Follow additional instructions as noted below.
  - On a scrap piece of white cardstock, stamp the beer glass two times using Gray Granite ink. Use Daffodil ink to stamp the fill image for the glasses.
  - Stamp two of the small "beer suds" using Gray Granite ink.
  - Stamp one beer growler in Pecan Pie ink. On the growler, use the light shade of a Pecan Pie Stampin' Blend and color in the bottle. Use the dark shade of a Pecan Pie Stampin' Blend and draw a line across the growler and color everything below this line with the dark shade so that it appears that the growler is half full. Use the dark shade of a Pecan Pie Stampin' Blend to darken the handle and right side of the growler. Color the cap of the growler using a Daffodil Delight Stampin' Blend. Use a Stampin' Blend Color Lifter to lift some of the color on the growler in horizontal strokes on the right and left side of the bottle.

- Use the dark shade of a Daffodil Delight Stampin' Blend to darken the Daffodil Delight inked areas on the left and right sides of the glasses.
6. Use the rectangle label die from the All That Dies set to die cut a rectangle from the Misty Moonlight DSP print. Adhere the rectangle at an angle onto the center panel of the card front using glue. Adhere the growler to the right side of the panel using glue. Adhere the "beer suds" to the tops of the glasses. Adhere the beer glasses together at the bottom of the glasses using a small drop of glue and angle the glasses away from each other. Adhere the glasses unit to the center panel on the card front using Stampin' Dimensionals. Refer to photos for placement.

7. On the Back Center Panel, stamp the sentiment "Oh, Ale Yes!" in Pecan Pie ink. Stamp bubbles coming up the right side of the panel in Daffodil Delight ink. Adhere the Back Center Panel to a Copper Clay mat, then adhere the unit to the back of the card.
