## 2. Follow the below directions for the front panel:

- On the panel for stamping (3-1/4" x 2-1/2" white cardstock) third generation stamp the leaf and berry image from the Joy of Noel Stamp Set in Pebbled Path ink. Stamp the image coming in from the right side of the panel.
- Using the Christmas Classics Stamp Set, stamp the sentiment "Deck the Halls" in Pebbled Path ink on the left side of the panel.
- Use a Blending Brush to lightly blend Pebbled Path ink around the edges of the panel to give it an antiqued look.
- Die cut 2 holly leaves from Shaded Spruce cardstock using the Christmas Classics Dies. Adhere the holly leaves to the right side of the panel using liquid glue. Position the holly leaves so that one is pointing up and to the left and one is pointing down and to the left (refer to photos for reference). Dust the holly leaves with Wink of Stella for some sparkle!
- Use a Cherry Cobbler Stampin' Blend to color three white/clear sequins. Use the Color Lifter Stampin' Blend to leave a highlight on each sequin. The sequins will act as holly berries. Place the three sequins at the base of the holly leaves on the panel.
- Adhere the panel to its Cherry Cobbler mat measuring 3-3/8" x 2-5/8" and set aside for now.

3. Cut Card Base #2 and score where indicated. Placing the card base, short side up at the 1-1/4" mark on the trimmer, cut between the 1-3/4" score line and the 5-1/4" score line. Turn the card base to the opposite short end, and place the card base at the 1-1/4" mark on the trimmer. Cut between the 1-3/4" score line and the 5-1/4" score line. These cuts will create the pop out. See diagram below.

8. On the white inside card panel, partially stamp the leaf and berry image twice - once on the upper right of the panel and once on the lower right of the panel in Pebbled Path ink. Color the stamped images with Stampin' Blends as follows:
- Color the berries using the light shade of Real Red. Use the dark shade of Cherry Cobbler to add shadow to the berries. Use the Color Lifter to mark a highlight on each berry.
  - Color the holly leaves using the light and dark shades of Shaded Spruce Stampin' Blends
  - Color the other leaves using the light and dark shades of Shaded Spruce Stampin' Blends and color the center areas of the leaves using Old Olive Stampin' Blends.
  - Color the pine using Old Olive Stampin' Blends. I added extra pine needles to the stamped images to make the pine sprigs fuller.
  - Trace over the remaining stems using Old Olive Stampin' Blends.
  - Without reinking your Blending Brush, lightly blend Pebbled Path ink over the stamped and colored images on the panel to give it an antiqued look.
  - Dust the colored images with Wink of Stella.

9. Adhere the inside panel to its Cherry Cobbler mat, then adhere to the inside of the card base.
10. Adhere Card Base #2 to the Cherry Cobbler Card Base #1.
11. Stamp the image of the three holly leaves and the berries from the Christmas Classics

Stamp Set onto the envelope front. Stamp the holly leaves in Pebbled Path ink and stamp the berries using Cherry Cobbler ink. Use Shaded Spruce Stampin' Blends to color in the leaves. Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring to prevent bleed through of the markers.

12. Adhere the coordinating piece of designer series paper to the envelope flap and use a pair of paper snips to trim the excess paper away from the flap.
