This cute little Valentine Treat Basket was created using the **Adoring Hearts Stamp Set and Dies**, the **Hooray for Surprises Dies**, the **Mini Alphabet Dies** and the **Most Adored 12" x 12" Specialty Designer Series Paper**. Although I used several die sets doesn't mean that you have to! Use what you have to create your own Valentine Treat Basket! This basket measures 2" wide, 2" deep and 2" tall. Let's get started!

Supplies:

- Adoring Hearts Bundle (stamps and dies)
- Hooray for Surprises Dies
- Mini Alphabet Dies
- Most Adored 12" x 12" Specialty Designer Series Paper
- Baker's Twine Three Color Pack
- Silver & White Sheer Ribbon
- Rainbow Adhesive-Backed Dots
- Cardstock: Flirty Flamingo, Real Red, Basic White
- Ink: Real Red

1. Cardstock Cuts:

- Box - Cut 1 piece of Flirty Flamingo cardstock to 6" x 6". Use a scoring board to score at 2" on all four sides.
- Handle - Cut 1 piece of Flirty Flamingo cardstock to 5" x 1/2"
- DSP Panels - Cut 4 Valentine print paper from the Most Adored Specialty Designer Series Paper to 1-7/8" x 1-7/8"
- Scraps of Basic White cardstock for stamping and die cutting sentiment label
- Scraps of Flirty Flamingo and Real Red for die cutting hearts and letters

2. On the 6" x 6" piece of Flirty Flamingo cardstock, fold and burnish all score lines with a bone folder then use a pair of scissors to cut along the score lines to the first intersecting score line. Repeat for the opposite side of the cardstock. This creates a center tab on each side. Cut this tab in half to help reduce bulk when assembling the box. Apply Tear & Tape to the two tabs. Fold up one side of the box and adhere each tab to the side, then repeat for the opposite side. The half tab will be adhered between the two sides of the basket. See photos below.

3. For the handle section measuring 5" x 1/2", run the handle between a bone folder and your thumb to assist the cardstock in bending. Determine the front of your basket, then adhere an end of the handle on each side of the basket. I applied about a 1/4" of glue to the handle ends to adhere. The handle ends will sit on the outside of the basket.
4. Adhere a 1-7/8" x 1-7/8" piece of designer series paper to each side of the basket.
5. Die Cuts:
- Using the large heart die from the Hooray for Surprises Dies set, cut out 2 hearts from Real Red Cardstock.
 - Using the Adoring Hearts Dies, cut out 2 detailed, cut out hearts from Flirty Flamingo cardstock.

- Using the Mini Alphabet Dies, cut out 2 letter "X's" and 2 letter "O's" from Real Red cardstock. Note that you do not need to cut out all letters on the die, just cut a piece of cardstock large enough to cut out the letters you need.

6. Adhere the small, detailed Flirty Flamingo heart cut outs to the larger Real Red hearts. Adhere the heart units to the front and back of the basket using liquid glue. Adhere an "X" and an "O" to opposite sides of the basket using liquid glue.
7. From the Adoring Hearts Stamp Set, stamp "Just for You" in Real Red ink onto a scrap piece of Basic White cardstock. Use the wavy banner die from the Adoring Hearts Dies to cut out the sentiment. Adhere the sentiment label to the front of the basket using Stampin' Dimensionals.

8. To finish up the basket adhere several Flirty Flamingo Rainbow Adhesive-Backed Dots to the sentiment label and heart on the front of the basket.
9. Fill the basket with a favorite sweet treat! I placed several peppermint bark pieces in a food safe cellophane bag then tied the bag closed with a piece of Flirty Flamingo Baker's Twine and a length of Silver & White Sheer Ribbon and placed the treat inside the basket.
