 - Embossed Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - DSP Square - Cut 1 Cherry Cobbler & Gold Season of Elegance Specialty Designer Series Paper to 3" x 3"
 - White Cardstock Square - Cut 1 Basic White cardstock to 2-7/8" x 2-7/8"
 - Black Cardstock Square Mat - Cut 1 Basic Black cardstock to 3" x 3"
 - Sentiment Label - Cut 1 Basic White cardstock to approximately 2" x 2"
 - Lantern, Candle and Pinecones - Scraps of Basic White cardstock

 - Inside (Back) Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Use the Snowflake Sky 3D Embossing Folder to emboss one of the 5-1/4" x 4" white cardstock panels. Adhere the embossed panel to a Basic Black mat measuring 5-3/8" x 4-1/8" using liquid glue or Stampin' Seal. Adhere this to the card front.
 3. Adhere the 3" Cherry Cobbler designer series paper square to the top of the card front using liquid glue or Stampin' Seal. Leave an equal distance between the left, top and right of the square to the embossed panel.
 4. Stamp and Die Cut the following then follow any additional instructions:
 - Use the two-step stamps to stamp two pinecones onto Basic White cardstock using Pecan Pie and Early Espresso ink. The detailed image was stamped in Early Espresso. Use the coordinating dies to cut out the images.
 - Use Tuxedo Black Memento ink to stamp the large lantern onto white cardstock. Color the lantern glass using the light and dark shades of Lemon Lolly Stampin' Blends. Use the coordinating die to cut out the image.
 - Stamp the candle image in Basic Beige ink onto white cardstock. Use the light shade of a Crumb Cake Stampin' Blend to shade the candle. Use the dark shade of a Pumpkin Pie Stampin' Blend to color the flame. Use a Basic Black Stampin' Write Marker to darken the wick of the candle. Use the coordinating die to cut out the image.
 - Die cut 2 greenery sprigs from Old Olive cardstock. Die cut two sets of berries from Cherry Cobbler cardstock. Adhere the berries to the greenery sprigs using a small dot of glue.

5. On the 2-7/8" x 2-7/8" white cardstock square, stamp the pine bough images in Old Olive ink onto the lower left and right of the square. The pine should be visible once the lantern is adhered to the panel.
6. Adhere the two die cut greenery sprigs to the top of the lantern using liquid glue. Adhere the candle to the center of the lantern using liquid glue. Adhere a pinecone to the bottom right and left of the lantern so the pinecones are peeking out on either side of the lantern. Adhere the lantern to the center of the white square using Mini Glue Dots. The top of the lantern handle will extend past the top of the square. Adhere the square to the 3" square black cardstock mat. Adhere this to the card front over top of the Cherry Cobbler square at an angle.
7. Stamp the "All is bright" sentiment in Tuxedo Black Memento ink onto a piece of white cardstock. Use the third from the smallest circle die from the Stylish Shapes Dies to cut out the sentiment. Use a combination of Stampin' Dimensionals and a Mini Glue Dot to adhere the sentiment to the lower right of the card front. The top of the sentiment label will overlap the bottom right of the decorated square.
8. On the back white cardstock panel, Use the pine bough stamps to stamp pine across the top and bottom of the panel in Old Olive ink. Stamp the sentiment "Sending love and light this time of year" in Tuxedo Black Memento ink. Adhere the panel to the remaining black mat, then adhere this to the back of the card base.

9. Adhere the Tent Prop to the bottom of the inside of the card base. The 1/2" tabs on the Tent Prop line up with the lower edges of the front and back of the card base. Use liquid glue or Tear & Tape to adhere these tabs to the inside of the card. **Note: I found it easier to attach the Tent Prop after the card was decorated, but you can adhere it before decorating the front and back of the card base.**

10. Tie a small bow using the Cherry Cobbler & Gold Satin Ribbon. Adhere the bow to the top of the lantern using a Mini Glue Dot.
11. Adhere three clear Opal Rounds to the card front. I adhered these to the decorated square.
12. On the envelope front, stamp the small lantern using Tuxedo Black Memento ink. Use Post It Notes to mask off the left lower edge of the lantern, then stamp the pine bough image in Old Olive ink. Repeat stamping of the pine bough image on the right side of the lantern making sure to mask around the lantern before stamping. Use the light and dark shades of Lemon Lolly Stampin' Blends to color in the windows of the lantern. **Caution: Place a scrap piece of paper or cardstock inside of the envelope before coloring the lantern with Stampin' Blends to avoid bleed through of the markers.**
13. Adhere the coordinating piece of designer series paper to the envelope flap. Use a small pair of scissors or paper snips to trim the excess paper away from the flap.
