I used the lovely **A Walk in the Forest 12" x 12" Designer Series Paper** to create today's card along with bits and pieces from several other stamp sets and dies! *Stampin' Up! will donate \$3 for every pack of this paper purchased to support organizations dedicated to spreading cheer and providing support for those in need as part of their Making a Difference Program!* So that is pretty awesome!

The Joy of Noel Stamp Set was used for background stamping, a sentiment and several die cut images. The Christmas Classics Stamp Set was used for the inside sentiment.

The Merriest Trees Dies were used to cut out the pine tree from the **A Walk in the Forest Designer Series Paper**, and the Beary Cute Punch was used to cut out the bear from the same designer series paper. There is not just one product that coordinates with the **A Walk in the Forest Designer Series Paper**, but two products that coordinate with the paper! Fun!

Supplies:

- A Walk in the Forest 12" x 12" Designer Series Paper
- Distressed Gold 12" x 12" Specialty Paper

A Walk in the Forest Holiday Card

Project Sheet - Sep 27 2023

inkybeestampers@gmail.com

<https://www.inkybeestampers.com>

- Joy of Noel Bundle (sentiment and stamped and die cut images)
- Christmas Classics Stamp Set (sentiment)
- Merriest Trees Dies (die cut pine tree from DSP)
- Beary Cute Punch (punched out bear from DSP)
- Banners Pick A Punch
- Baker's Twine Essentials Pack
- Cardstock: Old Olive, Garden Green, Basic White
- Ink: Old Olive, Pecan Pie, Cherry Cobbler
- Stampin' Blend: Cherry Cobbler
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Old Olive cardstock to 11" x 4-1/4" and score at 5-1/2"
- Mat - Cut 1 Garden Green cardstock to 4-3/4" x 3-1/2"
- DSP Panel - Cut 1 berry print to 4-5/8" x 3-3/8"
- Banner #1 - Cut 1 pine print to 4-1/4" x 1"
- Banner #2 - Cut 1 piece of Distressed Gold Specialty Paper to 3-3/4" x 1"
- Scraps of Old Olive and white for stamping and/or die cutting
- Sentiment Label - Cut 1 Basic White cardstock to 3-3/4" x 3/4"
- Inside Mat - Cut 1 Old Olive to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 piece of coordinating designer series paper to 6" x 2-1/4"

2. On the Old Olive card base, I folded the base at the score line then used the holly/berry image from the Joy of Noel Stamp Set to stamp the image all around the edges of the card front in Old Olive ink to provide a background.

3. The DSP Panel in a berry print from the A Walk in the Forest Designer Series Paper measuring 4-5/8" x 3-3/8" was adhered to a Garden Green mat.

- I used the Banners Pick A Punch to punch banner ends on one end of the pine print designer series paper (Banner #1) and the Distressed Gold Specialty Paper (Banner #2).

The pine print banner was adhered to the DSP panel first using liquid glue and was positioned on the left, approximately 1/4" from the edge of the panel. The top of the banner should be flush with the top edge of the DSP panel.

Next, adhere the Distressed Gold banner to the DSP panel and overlap the first banner by about half of the width. The top of the Distressed Gold banner should be flush with the top edge of the DSP panel.

4. Use the 3rd to largest tree die from the Merriest Trees Dies set to cut out one of the evergreen trees from the A Walk in the Forest Designer Series Paper.
5. Use the Beary Cute Punch to punch out one of the bears from the A Walk in the Forest Designer Series Paper.
6. From the Joy of Noel Bundle:
 - Die cut 1 pine bough from Old Olive cardstock.
 - Stamp 1 of the berry image onto a scrap of white cardstock in Pecan Pie ink. Use a Cherry Cobbler Stampin' Blend to color in the berries on the die cut, then use the coordinating die to cut out.
7. Use the Banner Pick A Punch to cut a banner end onto the right of the sentiment label. Stamp the sentiment "Making spirits bright" from the Joy of Noel Stamp Set in Cherry Cobbler ink.
8. Arrange the die cut tree, pine bough, berry sprig and bear onto the upper portion of the DSP Panel. Refer to photos for placement.
 - The tree will sit to the upper right of the panel and the top of the tree will slightly hang over the top of the DSP Panel. Adhere with liquid glue.
 - The pine bough and berry sprig will sit to the right of the tree and are adhered with

liquid glue.

- The bear will sit to the upper left of the DSP Panel and will overlap the previously adhered pieces. The bottom of the bear should line up with the bottom of the pine tree. Adhere the bear using Stampin' Dimensionals.

9. Adhere the DSP Panel to the card front and center from top to bottom and left to right.
10. Adhere the sentiment label to the card front using Stampin' Dimensionals. The sentiment label will sit slightly over the bottom of the bear and pine tree previously adhered.
11. Tie a small, single bow using black Baker's Twine and adhere the bow using a Mini Glue Dot. Tuck the bow slight behind the bear's bottom.
12. On the inside panel, stamp the same holly and berry image from the Joy of Noel stamp set onto the upper right and lower left corners of the panel using Old Olive ink. Stamp the "Season's Greetings" sentiment from the Christmas Classics Stamp Set in Cherry Cobbler ink onto the panel. Adhere the panel to a Garden Green mat then adhere this to the inside of the card.

13. Stamp the holly and berry image from the Joy of Noel Stamp Set partially onto the envelope front using Old Olive ink.
14. Adhere the piece of coordinating designer series paper to the envelope flap and use a pair of paper snips to trim away the excess paper from the flap.

This completes the card! While it seems like I used a lot of products to complete this card, I wanted to illustrate two things: 1) Don't be afraid to mix and match stamp sets and dies, and 2) That two products coordinate with the **A Walk in the Forest 12" x 12" Designer Series Paper** - the Beary Cute Punch and the Merriest Trees Dies...which is very cool! I hope you enjoyed today's card!

Products used for this card are included on the next page. The links will take you to my online store if you're interested in purchasing any of the products.
