- DSP Panel - Cut 1 Fresh Freesia striped print from the Toadstool Gardens Designer Series Paper to 5" x 3-3/4"
 - Sentiment label - Cut 1 Basic White cardstock to approximately 3" x 2"
 - Stamped Images - Cut 1 Basic White cardstock to approximately 5-1/2" x 4-1/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5" x 3-3/4"
 - Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"
2. Adhere the DSP Panel to one of the Basic Black mats, then wrap a length of Fresh Freesia Seam Binding Ribbon around the bottom of the panel and secure the ends to the back of the panel using Stampin' Seal. Adhere the panel to the card front using liquid glue or Stampin' Seal. The ribbon should be positioned about 1" from the bottom of the panel unit.
3. Using the Mixed Floral Stamp Set, stamp the image of the coneflowers, leaf sprig, baby's breath and three lady bugs in Memento Tuxedo Black ink onto a piece of Basic White cardstock. Color the images as follows then use the coordinating dies from the Mixed Florals Dies to cut out the images.
- Color the coneflower petals using Fresh Freesia Stampin' Blends
 - Color the top of the coneflowers using Pecan Pie Stampin' Blends
 - Color the coneflower stems and leaves using Granny Apple Green Stampin' Blends
 - Color the baby's breath flowers using the light shade of a Balmy Blue Stampin' Blend
 - Color the leaves on the leaf sprig using Granny Apple Green Stampin' Blends
 - Color the bodies of the lady bugs using a Poppy Parade Stampin' Blend

4. Stamp the "Just a note to let you know you're on my mind" from the Mixed Labels Stamp Set in Fresh Freesia ink onto a piece of white cardstock. Use the largest label die from the Mixed Labels Dies to cut out the sentiment. Use Stampin' Dimensionals on the sides and

bottom of the label and adhere the sentiment to the card front and center over the wrapped ribbon.

5. Tuck the die cut flowers under the top of the sentiment label using Mini Glue Dots. You may need to trim the bottom from the coneflower image. Then adhere the three lady bugs to the foliage using a small drop of liquid glue or Mini Glue Dot.
6. Partially stamp the coneflower image onto the inside panel and color as you did previously using Stampin' Blends. Adhere the panel to the remaining Basic Black mat, then adhere this to the inside of the card.

7. Partially stamp the coneflower image again onto the envelope front and color as before.
8. Adhere a coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
9. Adhere three Purple Fine Shimmer Gems to the card front. I used the lightest shade of purple gems on my card.
