I have a bright and cheerful card for you today created with the pretty **Translucent Florals Bundle**. The background texture was created with the Painted Texture 3D Embossing Folder. I did use a little of the coordinating paper, the **Delightful Floral 12" x 12" Designer Series Paper**, on the envelope flap. Let's get started!

Supplies:

- Translucent Florals Bundle (stamps and dies)
- Delightful Floral 12" x 12" Designer Series Paper
- Painted Texture 3D Embossing Folder
- Nested Essentials Dies
- Sheer Ribbon Combo Pack
- Adhesive-Backed Speckled Dots
- Cardstock: Basic White, Basic Black, Orchid Oasis, Lemon Lolly, Granny Apple Green
- Ink: Orchid Oasis, Lemon Lolly, Granny Apple Green, Mossy Meadow
- Adhesives: Multipurpose Liquid Glue, Stampin' Dimensionals, Mini Glue Dots
- Sponge Daubers

- Paper Trimmer
- Stampin' Cut & Emboss Machine

1. Card Cuts:

- Card Base - Cut 1 Granny Apple Green cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Orchid Oasis cardstock to 5-3/8" x 4-1/8"
- Outside & Inside Panels - Cut 2 Basic White cardstock to 5-1/4" x 4"
- Orchid Oasis Rectangle - Cut 1 to 3-1/4" x 1"
- Granny Apple Green Rectangle - Cut 1 to 3" x 1-1/4"
- Scraps of Basic White, Basic Black, Orchid Oasis and Lemon Lolly for stamping and/or die cutting flower pieces.
- Envelope Flap - Cut 1 coordinating piece of designer series paper to 6" x 2-1/4"

2. I started off by embossing one of the white panels measuring 5-1/4" x 4" using the Painted Texture 3D Embossing Folder. This panel was adhered to one of the Orchid Oasis mats, then adhered to the card front.

3. Next, the Orchid Oasis Rectangle was adhered to the card front and positioned on the right side of the card with the bottom edge of the rectangle approximately 1-1/2" from the bottom edge of the card base. The right edge of the rectangle was lined up with the right edge of the white embossed panel. Then adhere the Granny Apple Green Rectangle to the card front and offset this rectangle so that it sits approximately a 1/2" below and to the left of the Orchid Oasis Rectangle.

4. Using scraps of card stock stamp and/or die cut the following then follow any additional directions. **Note: When stamping the flower and leaf images it is helpful to use a sponge dauber to help even out the ink on the stamps. Ink your stamp, then dab the sponge dauber in the ink color you are stamping then dab the sponge dauber across the stamp. Use a separate sponge dauber for each ink color.**

- Stamp one large flower in Lemon Lolly ink onto white cardstock. Use the coordinating die to cut out. Using the same die, cut 1 of the flower shapes (no stamping) from Lemon Lolly cardstock. Adhere the stamped flower to the solid Lemon Lolly flower shape so that just the top of the Lemon Lolly shape is peeking above the stamped flower.
- Stamp one large flower in Orchid Oasis ink onto white cardstock. Use the coordinating die to cut out. Using the same die, cut 1 of the flower shapes (no stamping) from Orchid Oasis cardstock. Adhere the stamped flower to the solid Orchid Oasis flower shape so that just the top of the Orchid Oasis shape is peeking above the stamped flower.
- Stamp one small flower in Orchid Oasis ink onto white cardstock. Use the coordinating die to cut out. Using the same die, cut 1 of the flower shapes (no stamping) from Orchid Oasis cardstock. Adhere the stamped flower to the solid Orchid Oasis flower shape so that just the top of the Orchid Oasis shape is peeking above the stamped flower.

- Stamp 1 flower bud onto a scrap of white cardstock and stamp in Orchid Oasis ink. Use the coordinating die to cut out.
- Cut 2 flower centers from a scrap of Basic Black cardstock. Adhere the flower centers to the centers of the two larger flowers.
- Stamp 2 of the large leaf sprigs in Granny Apple Green ink onto Basic White cardstock and use the coordinating die to cut out.
- Stamp 3 of the two-leaf images in Granny Apple Green ink onto Basic White cardstock and use the coordinating die to cut out.
- Stamp 1 of the two-leaf images in Mossy Meadow ink onto Basic White cardstock and use the coordinating die to cut out.
- Stamp 3 of the slender greenery image in Mossy Meadow ink onto Basic White cardstock and use the coordinating die to cut out.

5. Arrange and adhere the flowers and leaves on the card front as follows. Use the photos for reference.
- Adhere the two large leaf sprigs onto the upper portion of the card and point one to the

right and one to the left. The base of these leaf sprigs rest on the Orchid Oasis Rectangle.

- Adhere the two Orchid Oasis flowers to the card front next. Position the flowers so that one points slightly to the right, and one points slightly to the left. These flowers sit about at the center of the card and towards the upper portion of the Orchid Oasis rectangle. **Important Note: Apply glue to only the very centers of these flowers so that you will be able to tuck in leaves around the flowers later.**
 - Next, adhere the Lemon Lolly flower between and slightly below the two Orchid Oasis flowers using Stampin' Dimensionals. Try to keep the Stampin' Dimensionals towards the center of the flower so that you will be able to tuck leaves under the flower later.
 - Tuck the remaining leaf die cuts and the slender greenery die cuts around the flowers.
6. Stamp the sentiment "Happy Birthday" onto a scrap of white cardstock then use the smallest rectangle die from the Nested Essentials Dies to cut out. Adhere the sentiment label to lower left corner of the card front using Stampin' Dimensionals.
 7. Tie a bow from Lemon Lolly ribbon from the Sheer Ribbon Combo Pack. Adhere the bow just under the lower left of the Lemon Lolly flower using Mini Glue Dots.
 8. On the inside panel, stamp the slender greenery image in Mossy Meadow ink in the upper right and lower left corners of the panel. Stamp the sentiment "Wishing you all the happiness in the world" in Granny Apple Green ink. Adhere the panel to the remaining Orchid Oasis mat, then adhere to the inside of the card.

9. Stamp the same slender greenery image in Mossy Meadow ink onto the envelope front.
10. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
11. Adhere several Mossy Meadow Adhesive-Backed Speckled Dots to the card front to finish up the card.

This completes the card! There is lots of die cutting on this card, but it went quickly. I hope you'll give this card design a try!

Products used to create this card are included on the next page along with links for each product that will take you to my online store.
