- Card Base - Cut 1 Pretty Peacock cardstock to 8-1/2" x 5-1/2", score at 4-1/4"
- Outside & Inside Mats - Cut 2 Wild Wheat cardstock to 5-3/8" x 4-1/8"
- DSP Panels - Cut 2 to 4-1/4" x 3" (use white daisy print with Copper Clay and Pretty Peacock background for both panels)
- Strip for Embossing - Cut 1 Lemon Lolly to 5" x 1-1/2"
- Die Cut Daisies - Scrap of Lemon Lolly cardstock
- Leaf Sprigs - Scrap of DSP (Pretty Peacock solid pattern)
- Sentiment Label - Cut 1 Lemon Lolly to 2-3/4" x 1/2"
- Inside Panel - Cut 1 Basic White cardstock to 5-1/4" x 4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. Adhere one of the Wild Wheat mats to the card front.

3. Using the Fern 3D Embossing Folder, emboss the Lemon Lolly strip. Adhere the strip to the card front centering from right to left and top to bottom.

4. Adhere one of the DSP Panels measuring 4-1/4" x 3" to the card front (Pretty Peacock solid pattern) placing over the Lemon Lolly strip and centering from left to right and top to bottom.

5. Adhere the second DSP Panel measuring 4-1/4" x 3" to the card front (Daisy print) at an angle over the first DSP Panel.

6. Using a scrap of the DSP (Pretty Peacock solid pattern), die cut 3 leaf sprigs.

7. On a scrap of Lemon Lolly cardstock, stamp 1 large and 1 half daisy in Lemon Lolly ink. On the half daisy stamp the flower center using Crushed Curry ink. Stamp 1 large flower center in Crushed Curry ink. Use the coordinating dies to cut out the daisies and the large flower center.

8. Using a Blender Pen, dip the pen in Crushed Curry ink and use the ink to highlight the flower petals on both daisies. Stroke the color onto the petals from the center and working outwards. Use the light shade of a Copper Clay Stampin' Blend to add some shadow to the bottoms of the flower centers. Use the light shade of a Lemon Lolly Stampin' Blend to blend out the Copper Clay marker. Adhere the large daisy center to the large daisy using a Stampin' Dimensional.

9. Adhere the Daisies to the card front using Stampin' Dimensionals. Keep the Dimensionals towards the centers of the flowers to allow tucking in the leaf sprigs.

10. Tuck the three leaf sprigs slightly under and around the daisies using liquid glue. Cut a short length of Copper Clay Textured Ribbon and fold the ribbon in half. Tuck the ribbon under the right side of the daisies and adhere using Mini Glue Dots or small drops of liquid glue.
