Today's card was so easy to create and makes a big impact using Gold Metallic Enamel Effects and the **Painted Trees 3D Embossing Folder**! Let's take a look!

- Die Cut Sentiment - Cut 1 Gold Foil to approximately 3-1/4" x 1-1/4"
 - Die Cut Sentiment Mat - Cut 1 Night of Navy cardstock to approximately 3-1/4" x 1-1/4"
 - Inside Panel - Cut 1 Basic White cardstock to 5-3/8" x 4-1/8"
2. Use the Painted Trees 3D Embossing Folder to emboss the white panel measuring 5-1/4" x 4". Dispense Gold Metallic Enamel Effects onto an acrylic block - about a nickel's worth. Blot a Sponge Dauber in the Gold Metallic Enamel Effects then dab the gold metallic onto the raised portions of the embossed panel to highlight the pine trees in gold. Repeat until all of the embossed portions of the panel are covered. I found it helpful to use the side of the Sponge Dauber to get the tips of the pine branches. **Important Note: Once you are finished applying the gold metallic onto the panel, immediately wash your Sponge Dauber and Acrylic Block with warm soapy water until clean. Some of the Metallic Effects may stick to the acrylic block but you can rub it off with a damp paper towel.**
 3. Adhere the gold embossed panel to the Gold Foil mat measuring 5-3/8" x 4-1/8" using Stampin' Seal. Wrap a length of Night of Navy Glittered Ribbon around the bottom of the panel and secure the ends on the back of the panel using Stampin' Seal. Note that the bottom edge of the ribbon will be 3/4" from the bottom of the panel unit. Adhere the panel unit to the card front using liquid glue.

4. Use the Peaceful Season Dies to die cut the detailed "Christmas" sentiment from Gold Foil,

then cut the mat for the "Christmas" sentiment from Night of Navy cardstock. When die cutting the detailed "Christmas" sentiment use Adhesive Sheets on the back to make it easier to adhere the sentiment to its mat. You can also use small drops of liquid glue to adhere the sentiment to its mat. Adhere the Gold and Night of Navy sentiment to the card front using Stampin' Dimensionals. Position the sentiment so that it is slightly overlapping the top of the wrapped ribbon and center from left to right.

5. Tie a small knot bow from the Night of Navy Glittered Ribbon and adhere the bow just under the "Christmas" sentiment on the card front using a Mini Glue Dot.
6. Use the Peaceful Season Stamp Set to stamp the two sentiments onto the inside panel in Night of Navy ink. Stamp the sentiment "A season of wonder and happiness" towards the top of the panel, then stamp the "love from our home to yours" underneath the first sentiment. Use the medium size pine tree from the Peaceful Evergreens Stamp Set to stamp two trees onto the lower corner of the panel in Night of Navy ink and stagger the height of the stamped trees. Then adhere the panel to the inside of the card.

7. Repeat stamping of the pine tree images onto the envelope front using Night of Navy ink.
8. Stamp the tree image again across the envelope flap. I stamped three trees with the middle tree standing taller than the other two.
