2. On scraps of Basic White cardstock, use the stamps from the Snowy Wonder Stamp Set and Snowy Wonder Dies to stamp and die cut the following:
 - Stamp 5 small trees in Garden Green ink, then die cut.
 - Stamp 1 house in Early Espresso ink. Color the windows with a Lemon Lolly Stampin' Blend and the door in a Poppy Parade Stampin' Blend then die cut.
 - Stamp 1 small and 1 large mountain in Pool Party ink, then die cut.
3. Tear the two (2) white panels measuring 5" x 1-3/4". Tear one from left to right and the other from right to left to form snow hills. Use a Blending Brush to blend Pool Party ink across the torn edges. Adhere one torn panel (with the hill on the left) to the front of the Pool Party panel measuring 5" x 3-3/4" and line up the bottom edges of the torn panel and the Pool Party panel. Then adhere the second torn panel (with the hill on the right) to the Pool Party panel, making sure to line up the bottom edges and sides. **Note: When adhering the snow hills with liquid glue, apply glue only to the sides and bottom edges so that you can tuck some of the die cuts under the snow hills.**

4. On the Pool Party panel, use the small snowflake image from the Snowy Wonder Stamp Set and stamp a few snowflakes across the top of the panel using White Pigment Ink and allow to dry.

5. Use the Christmas Labels Dies to die cut the rectangular sentiment label from Basic White cardstock. Use the "Let it Snow" sentiment from the Snowy Wonder Stamp Set and stamp this on the sentiment label in Poppy Parade ink.
6. Tuck the small and large die cut mountain behind the snow hill on the left and adhere. Tuck the house and two pine trees under the snow hill - just in front of the mountains and adhere.
7. From the Snowy Scenes Designer Series Paper, use the snowman die from the Snowy Wonder Dies to cut out one snowman. Adhere the snowman using Stampin' Dimensionals to the right of the Pool Party panel so that he is sitting on top of the snow hill. Be sure to leave enough room for the sentiment label. Adhere two pine trees on either side of the snowman using Stampin' Dimensionals. Then adhere the remaining pine tree partially behind the snowman on the right.
8. Adhere the decorated Pool Party panel to one of the Poppy Parade mats, then adhere this to the card front. Adhere the sentiment label to the top center of the Pool Party panel using Stampin' Dimensionals.
9. Stamp the "It's a Hot Cocoa Day" sentiment from the Christmas Labels Stamp Set in Poppy Parade ink on the inside panel. Using the Snowy Wonder Stamp Set to stamp the house onto the lower corner in Early Espresso. Color the windows and door using Stampin' Blends. Stamp a small pine tree on either side of the house in Gard Green ink. Use the small snowflake image and stamp snowflakes across the panel in Pool Party ink. Adhere the panel to the remaining Poppy Parade mat, then adhere this to the inside of the card.

10. Apply very small drops of glue onto the front of the card front and adhere multiple White Loose Snowflakes.
11. Stamp multiple small pine trees on the envelope front in Garden Green ink then stamp a few snowflakes above the trees in Pool Party ink.
12. Adhere the coordinating piece of designer series paper to the envelope flap and use a small pair of scissors or paper snips to trim the excess paper away from the flap.
